A see you later letter to you from Ms. Jamie.....

I am so thankful to all the students, faculty and staff of this great school. I cannot ever fully express in words the depths of my love and appreciation for every person I have encountered during my time here at Harold McCormick Elementary, nor express fully how you have impacted my life. To be leaving this school—this family—fills me with incredible sadness. I leave with many wonderful memories that I will cherish forever. I will leave you with this quote, "Don't cry because it is over, smile because it happened." I would not change one day of my time here at HME. I love you all and remember if you could sit it out or dance—I HOPE YOU DANCE!!
