

HOW TO REGISTER FOR CLASSES

PLEASE LEAVE YOUR REGISTRATION PACKET STAPLED TOGETHER

Complete the front of your registration form. Have the following people sign the bottom of your registration form: parents/guardians, English, Math, Science, and Program of Study teacher.

1. Go to www.ecschools.net. Click the "Registration" tab at the top. Click High School registration link which takes you to the Counseling page.
2. Scroll down until you see 10th, 11th, and 12th grade registration. Watch the instructional video which tells you exactly how to enter your classes.
3. Click the orange "Register" button above the video.
4. Use the login information on the label at the top right corner of your transcript to begin.
5. Make sure you are entering 10 classes if your 4th period is two ½ credit classes. Make sure you enter 9 classes if your 4th period is one full credit that lasts all year long.
6. Classes should be entered as soon as possible. You will be called down by your 2nd period class to confirm your selections.
7. Please see the counseling office for assistance or questions.
