CAP AND GOWN

IMPORTANT Much has happened in the last few days regarding the preventive measures recommended to limit any potential impact of COVID-19 to students, families, and employees of the Elizabethton City School System. **We want you to know that our top priority is to ensure the well-being of *all* members of our community.**

We are rapidly making some tough decisions in consultation with, **federal, state and local public health experts, state government officials and Homeland Security.** Many incredible individuals across the United States and State of TN are working tirelessly to safeguard students and to ensure our mission of educating children under these challenging circumstances and information is continually changing.

AT THIS TIME (UNLESS YOU RECEIVE A CALL REACH CALL) we will have school as normal on Monday! However, as a **precautionary** measure (in the event that school cancellation becomes necessary), we have sent home work for the next 10 days in the core curriculum areas of English/Language Arts, Math, Science and Social Studies.
