YOU CAN HELP US STAY IN SCHOOL BY:

STUDENT WELLNESS

If your child/children are showing any symptoms of COVID-19 prior to coming to school, we ask that you please keep your child at home. The TN Department of Health has provided a Public Health COVID-19 Return to School Decision Support Algorithm for our nurses to follow in determining if a student should be sent home.

WEAR YOUR MASK All faculty, staff, and students are required to wear a mask and wash it at least twice a week.

Wash your hands and use hand sanitizer

THANK YOU for your continued patience with the construction taking place at our front entrance. Our progress is coming along. Please continue to use our temporary entrance located at the back of the building. Yard signs are in place to help locate the office entrance.
