Principal's corner:

Wow, we almost have another school year in the books. We have a lot to accomplish over the next three weeks. You will see events to remember on the right side of this paper. We will be pushing more information out regarding safe procedures for Kindergarten Graduation and the 5th Grade Awards Ceremony. We are very thankful to be able to celebrate together and recognize our students' accomplishments. However, we will need to modify the number of attendees and outline the attendance process. Any procedure created will be done in hope of creating a safe environment for all who attend. We appreciate your understanding. We do have yearbooks in house. If you have pre-ordered a yearbook, you can expect to see those coming home late next week.
