## PRINCIPAL'S CORNER

Lots of great things are happening at Harold McCormick Elementary! We are very excited to be recognized for our partnership with the State Department of Education in their Reading 360 initiative. Our work across the district helping our students learn to read is making waves. Everyone is doing an amazing job! Our visitors today were very complimentary of our students, faculty, school, and our system.

I need to discuss drop off and pick up behind the building at the gym. We are seeing people come from the intersection of Cedar and Maple and attempting to take a left turn onto Hurricane Alley. No one should be making a left turn onto Hurricane Alley if cars are lined up down Maple. We are sorry for this inconvenience; this is only fair to the others that have been in line earlier in the morning. The process is simple. Please enter the line from Johnson Avenue. I have requested that the city make Maple a one-way street between 7:45-8:15 and 2:45-3:15. For now, I have asked Officer Mosier, our SRO, to help with traffic during this time. The quickest and most efficient way to enter the property will be from Johnson Avenue. Staff will need to enter the upper back parking lot. This gets tricky, please watch for those staff members to allow them access so they can get into the building. Hope to see everyone at our upcoming Parent Involvement Night on March 22<sup>nd</sup>.

## B(ooks)A(rt)M(usic) NIGHT
