PRINCIPAL'S CORNER

A big thank you to all 3rd grade and kindergarten parents that attended informative parent meetings this past week. We are looking forward to another opportunity for kindergarten parents to meet this **Thursday evening, 1/26 at 5:30 p.m.** in the cafeteria. If you are a kindergarten parent and you were not able to make any of these meeting times, call to schedule a time to come in and meet.

We are very busy with several academic initiatives right now and we are preparing for yearly state testing. Please remember that we believe the single most effective support for your child is to ensure that school attendance is prioritized.

LABELING PERSONAL ITEMS

With cool weather still with us, we would like your help with making sure that your student's items are labeled with their names or at least their initials so that we can return them to your student in case they get left behind at school. If your student has lost an item, we do have a lost and found in our cafeteria that can be checked for lost items.

TUFFY PEPTALKS

ECS Educators will present information on essential educational topics for parents and guardians. These short videos highlight our curriculum, programs, and resources. They also offer helpful advice parents can implement at home to help their children succeed in school.

DENTAL SEALANTS

There is still time to turn in paperwork to have your student's teeth sealed here at HME. If you need another paper, please contact your child's teacher or the office staff and they will be happy to assist!

UPDATING CONTACT INFORMATION

It is very important that our school administration, faculty, and staff has current contact information for your students. If we ever have a need to get a hold of you, especially in an emergency, we need to make sure that we can. If you have changes to make, PLEASE contact the front office staff to make changes.
