PRINCIPAL'S CORNER

Welcome back from Winter Break! We are excited to get going with our 2nd semester this year. I need everyone working with our school staff to make sure our students are dressed appropriately while we are experiencing cold weather. We need to be prepared in case we have cause to be out of the building for any extended period of time.

We have an influx of lost/found items in the cafeteria. We will be donating those items after Friday. I encourage you to check lost and found quickly if you are missing an item, as we do not have the space to store those items.

We have a lot of student data available now that supports the hard work happening at Harold McCormick. If you have questions or concerns, please reach out to us. If teachers and staff have reached out to you, please be sure to attend all scheduled meetings and answer/return our phone calls as this communication will assist in your student's education. When we have open lines of communication, our students are the big winners!

HME BUILDING LEVEL TEACHERS OF THE YEAR

WHITNEY BIRCHFIELD (PRE-K-4)

Mrs. Whitney is being recognized for her wonderful contribution to our students and her determination to help them become proficient readers and life-long learners in all areas!

CARLA WHILES (5-8)

We thank Mrs. Whiles for her endless positive energy and many "hats" that she wears at HME, supporting a love for reading and learning, as well as helping create a safe and loving environment.
