## PRINCIPAL'S CORNER

This year is moving fast. We are seven weeks away from Spring Break. Our student data indicates that we are having a great year with gains across the board. Join us in finishing strong by focusing on positive attendance. Good school attendance is the easiest way to have a huge positive impact on growth and achievement.

Please remember that tuition is due if you pay monthly.

Keep labeling jackets and other items as they do get misplaced often.

One last reminder, the morning drop-off out back ends at 7:55. If you come through after 7:55, you should come to the front door to drop off your student. Let's have a great week!
