The FY20 Annual Report reflects gifts, activities, and events between July 1, 2019, and June 30, 2020. Every effort is made to ensure accuracy and transparency, however we would sincerely appreciate knowing of any corrections that should be reflected. You may contact the Development Office at 207-386-5200 or [development@hyde.edu](mailto:development@hyde.edu). Thank you.

# LETTER FROM THE PRESIDENT

Dear Hyde Community,

We began the 2019-2020 academic year with the Class of 2020's commitment to leave a legacy of concern and connection. A day at Hyde is filled with our co-curricular program where, simply put, everyone does everything! We all do College Preparatory Academics, Three-Season Competitive Athletics, Performing Arts, Community Service, Discovery Groups, and the Character and Family Programs. Through testing oneself and dedication to striving for excellence, a true sense of grit and confidence is formed.

We had no idea how the Hyde education would be tested when spring break began. When faced with the pandemic, Hyde had to pivot from our normal program and radically change our instructional model. Unlike some schools that focused solely on academic instruction, Hyde reached for excellence in order to deliver synchronized classroom instruction, daily fitness routines, parenting webinars, college counseling workshops, Discovery Group seminars, school meetings, and family fun. We even conducted our first ever virtual Spring Family Weekend, dance performance included! We realized it was possible to adapt to this new format, embrace new attitudes, and find the opportunities in our obstacles.

What inspired us all was the tenacity of our students who had to let go of their disappointment over canceled rites of passage, in-person learning, and the sense of community that builds during the spring of every Hyde school year. They worked through their individual and collective grief to rally one another to finish strong! Our seniors led the virtual senior evaluations and brought depth to this signature process of the Hyde education. Their individual speeches reflected their growth, and, while it was certainly surreal, the faculty had great pride in seeing how their characters had emerged.

On behalf of all of us at Hyde, I cannot fully express our gratitude for the Alumni, HAPA, Parents, Grandparents, Faculty, Staff and Friends whose names fill the following pages. Your support of the Hyde education allows us to build on our foundation of character development, and move boldly ahead to the future vision of Hyde.

Our entire student body's legacy during this time will be about concern and connection, and finding character in challenging times. We have been through something important,

challenging and deep, and we know the world needs more of the character building we have experienced. This growth would not have been possible without each of you, and the many ways in which you inspired us to stay Hyde Strong. We hope to see you soon on this beautiful campus!

With deep respect and gratitude,

A handwritten signature in black ink that reads "Laura D. Gauld". The signature is written in a cursive, flowing style.

Laura D. Gauld '76  
President

# A Beautiful Way to Honor a Beloved Alumnus ~ Rob Schuller '78

## *The Rob Schuller Memorial Fund Fire Pit Project*

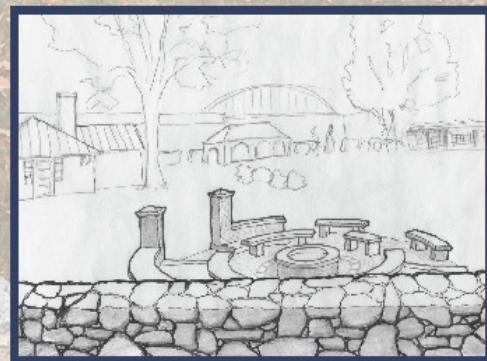

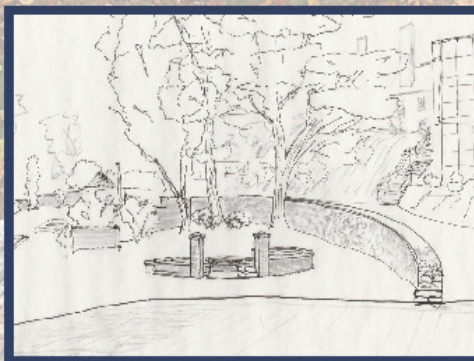

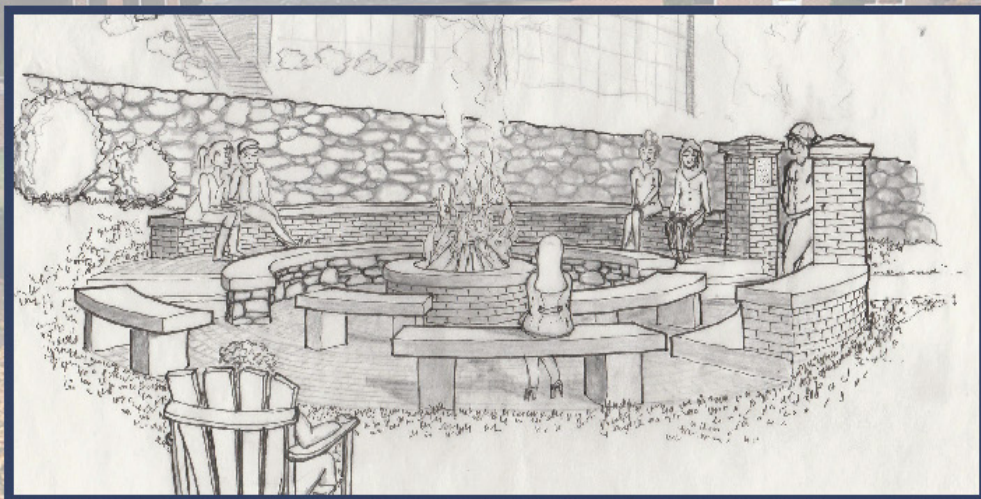

Following the passing of Robert Eliot Schuller on November 30, 2019, members of the Class of 1978 felt compelled to honor Rob's legacy at Hyde, and began discussing how to best honor their friend. Laura Gauld and the Planning Committee Thomas Baez, Scott Bertschy, Jeff Black, and Stu Jones selected a fire pit patio area as their naming opportunity, and initiated the *Rob Schuller Memorial Fund* in January, 2020.

The fire pit project is part of a capital campaign to renovate the performing arts space, and will become the heart of the campus. As of June 30, 2020, gifts and pledges for the memorial fund totaled \$78,000 towards our goal of \$125,000. We are overwhelmed by this outpouring of support from Rob's family, dear friends, and classmates towards creating a special gathering place which students will enjoy for decades to come.

A celebration of Robbie's life will be held on campus on September 18, 2021. Thank you again to the families and friends who have honored his legacy in such a meaningful way.

## Hyde School Fire Pit Project

Made Possible by the Rob Schuller Memorial Fund Donors

# Giving By Society

INCLUDES ALL GIVING TO HYDE\*

## Scholarships

Scholarships provide need-based financial aid to Hyde Students. We are extremely grateful for our named scholarships and the opportunities they provide to our students.

### **D'Amato Scholarship**

# A New Way to Engage Students on the Maine Waterways!

*Rich Truluck '88, Associate Head of School*

We wish to extend our deepest gratitude to Dr. Maureen Yoder and the late Dr. John Yoder, who bestowed a 17-foot Boston Whaler to Hyde shortly after John's passing in October, 2019. They have both been long-time Hyde supporters, counting two children and two grandchildren among the alumni ranks.

John and Maureen were frequent participants in the WFLCs and John was a founding member of the Alumni Parent fly-fishing trips to Grand Lake Stream in Downeast Maine. His love for the outdoors, and fishing in particular, lives on in this incredible gift to the school. The boat gives the school maximum versatility to explore the rivers, lakes and oceans that surround the campus.

During the inaugural trips last summer and fall, over 30 students participated in sightseeing and seal watching trips down the Kennebec River to Fort Popham. Students learned about the local ecology and saw firsthand the beauty of the Maine coast; a highlight was fishing the famed Kennebec River striper run and experiencing the thrill of a singing reel! This special gift will enable students to explore the waterways of Maine for years to come and create lifelong memories.

# HAPA ~ Always a part of the Hyde Family, keeping us strong and moving forward. THANK YOU!

We wish to extend our heartfelt gratitude to our current parents and HAPA who gave their precious time and helped our community keep moving forward through our Family Education programs this fall.

We could not create the full Hyde experience without your love and support.

Your impact is immeasurable.

Happy  
To Do It!

# WE REACHED OUT. YOUR HEARTS ANSWERED. THANK YOU!

In early spring, **The Hyde Family Fund** was established to provide and opportunity for those families to receive assistance who needed it most. For the last two months of school, Head of School Laura Gauld contributed 20% of her salary, faculty and staff made sacrifices with the elimination of the match to their retirement plans, and the families below went the distance with their generosity!

Each family received a credit proportionate to the net tuition they paid for the 2019-2020 year with a few options, which included giving this amount to support those in our community facing more extreme challenges.

As Johann Wolfgang Von Goethe said, *"Talent is nurtured in solitude; character is formed in the stormy billows of the world."* Through the generosity of the **The Hyde Family Fund Donors**, we were **\$18,844.00** stronger through the storm.

# Sumner Hawley Society

The Sumner Hawley Society recognizes those forward thinkers who have planned for Hyde's future with gifts in their wills, charitable trusts, real estate and retirement plan assets. These gifts are an expression of confidence both in Hyde's mission and its leadership. We are delighted to honor those who have made Hyde a priority in their estate planning.

# Ways To Give

The Hyde Strong Annual Fund provides immediate budget relief and supports the areas of greatest need, from athletics, to student activities, community service projects, faculty and staff salaries, materials and supplies, and more. The Hyde experience is fully supported by the Hyde Strong Annual Fund.

Your gift to the Hyde Strong Annual Fund:

- Provides financial aid to support the economic backgrounds of a diverse student body to afford them with the opportunity to experience a Hyde education.
- Supports Hyde's character building and family education programs, providing unique opportunities for personal growth and transformation.
- Ensures that our athletes and performing and visual art students have the supplies, equipment, and materials needed while playing, performing, and creating.
- Maintains and improves campus facilities so that our students and employees are provided with a quality environment in which to live, learn, and play.

[hyde.edu/giving](https://hyde.edu/giving)

## **CASH, CHECKS, AND CREDIT CARD GIFTS**

Hyde accepts gifts made as cash, through a valid checking account or by means of a credit or debit card.

## **MATCHING CORPORATE GIFTS**

Hyde welcomes gifts that are matched by donors' employers. The matching gift will be consistent with the purpose of the Hyde donor's gift (usually the Hyde Strong Annual Fund), and they will be credited to the employer's corporate entity with a soft credit to the generating Hyde donor.

## **GIFTS IN KIND**

Gifts of tangible personal property (such as artwork, collections, decorative items, automobiles, boats, etc.) or other gifts in kind may be accepted by Hyde provided that they meet approved needs of the School and do not place an undue burden on the School in terms of their use or maintenance. Hyde strongly suggests that donors consult with their tax advisors whenever considering a gift of this kind. Hyde reserves the right to dispose of any tangible personal property that has been donated, unless otherwise documented.

## **STOCKS OR SECURITIES**

Gifts of appreciated property in the form of publicly traded stock are accepted by Hyde through one of the School's brokerage accounts. Donors are urged to contact the School ahead of the electronic transfer to assure proper application and recording of their gift. Securities transferred by other means, either through the mail or hand delivered, will be treated as transferred on the date that the School takes possession of the securities.

## **PLANNED GIFTS**

Make a legacy gift commitment. Join the Sumner Hawley giving society by declaring your intention to make a planned gift. You can make a bequest to Hyde in your estate plan. We offer a variety of options and the opportunity to leave a lasting gift to support the sustainability of a Hyde education for generations to come.
