As required by Green Local Schools adopted *Policy for Academic Acceleration*, the following options exist for consideration, as appropriate:

*Early Entrance to Kindergarten * Subject Acceleration * Grade Acceleration * Early High School Graduation

Board policy indicates children who are referred for evaluation sixty (60) or more days prior to the start of the school year shall be evaluated in advance of the start of the school year so that the child may be placed in the accelerated placement on the first day of school.

Children who are referred for possible accelerated placement sixty (60) or more days prior to the start of the second semester shall be evaluated for possible accelerated placement at the start of the second semester.

In all other cases, evaluations of a referred child shall be scheduled at the student's principal's discretion and the child shall be placed in the accelerated setting(s) at the time recommended by the acceleration evaluation committee — if the committee determines the child should be accelerated.

Parents are requested to participate in a conference designed to evaluate the appropriate academic recommendation for their child. A committee comprised of personnel in the following roles will convene to review and compile all pertinent data relative to the acceleration options: *Principal or Designee, Current Teacher, Accelerated Teacher, Parent/Legal Guardian, Gifted Education Coordinator or Gifted Intervention Specialist.*
