

Ferndale School District Early Learning Survey 2023

Early Learning and Pre-school Activities and Interests

Early learning begins at home, and a variety of activities help prepare children for kindergarten. Completing this survey will tell us about the preschool learning experiences children in Ferndale are having prior to kindergarten. It will also help us learn about new activities we might provide so all children have skills to prepare them for kindergarten.

1. Is your child entering kindergarten in Fall of 2023?

Yes **No** If yes, which Ferndale Elementary School? _____
