Acknowledgement of School Bus Rules

Field trip and activity transportation is an extension of regular school transportation. All district bus rules must be enforced while transporting students on field trips and sports activity excursions. The bus rules are enforced to keep students safe during transport. School employees who accompany students are required to enforce bus rules in conjunction with the bus driver. Bus drivers must ensure that the bus aisle and emergency exit are always clear.

- | | |
|--|--|
| <ol style="list-style-type: none"> 1.) Obey the driver and/or attendant. 2.) Conduct on the bus is an extension of the classroom. 3.) Remain seated and facing forward at all times. 4.) No eating, drinking, or chewing gum on the bus. 5.) Keep your hands, feet, and belongings to yourself inside the bus and out of the aisle. | <ol style="list-style-type: none"> 6.) Be courteous and use acceptable language; no rude gestures or teasing is allowed. 7.) Do not be destructive. 8.) Keep the bus clean. 9.) Bus driver is authorized to assign seats. 10.) No smoking is permitted. |

Important Field Trip Safety Rules

- 1.) Students are not permitted to take photos or use cell phone lighting during transportation. These lights reflect in the driver's mirror and can blind the driver.
- 2.) School staff and chaperones should remain seated while in transit unless dealing with student discipline issues. The driver is responsible for the safety of all passengers.

I hereby acknowledge I have reviewed and will enforce and communicate the bus rules to chaperones and students.
