FAMILY

VOLUME 25

WEEK OF 3/6/2023

To, Through, and Beyond College "Impact and Outcome"

Happy Monday Families!!!
Please read the following excerpt on student attendance:

It's a big problem: Nationally, an estimated 5 million to 7.5 million students are at risk academically each year because they are chronically absent—missing 10 percent or more of school days in excused and unexcused absences. Starting as early as kindergarten and prekindergarten, chronic absence can have adverse consequences for academic achievement, research shows. By third grade, chronically absent students, especially those who have experienced multiple years of poor attendance, are less likely to read on grade level. By sixth grade, chronic absence becomes a warning sign that a student may drop out of high school.

Select students were sent home with possible retention(repeating the same grade) letters based on attendance, with a number of students having over 30 absences, which is equivalent to a month and a half of missed school. Some parents will receive a call this week to schedule a time to meet during parent teacher conferences to create a plan of action for success. There are only about 72 days remaining this school year, so time is of the essence.

If you have any questions or concerns, please reach out to me at aringo@npfeschools.org or send a message to (313) 751-8533.

Ms. Ringo
Principal

Instructional priorities

Reading, writing, and discussion in all content areas to provide cohesive instruction and opportunities for productive struggle.

Provide effective feedback to students that affirms what they have done well and guides them toward academic improvement and achievement of learning goals.

Study and leverage student-level data on a regular and consistent basis to identify learning opportunities and create plans to address them.

Use rubrics as tools to provide a shared language with clear guidelines and expectations to provide a measure, adjust, and evaluate learning

1 in 10 kids in kindergarten and 1st grade are chronically absent.
In some schools, it's as high as 1 in 4.

Shout out to the following students for making the Black History Program a Success Civil Rights Movement Projects:

Parent Teacher Conference Tips

Ask your child's teachers specific academic questions.

Make sure joint down important notes given by the teacher

Seek opportunities to bring up your student's grades

Continue to work with the teacher after conferences

M-Step

We have approximately 6 weeks before our 3-5 students take the M-Step, Michigan's high stake tests. Attendance, daily instruction, tutoring and intervention will be critical. Let's be focused and ready to take action everyday! The results of the various assessments can influence college admissions, teacher evaluations, and whether third-graders are promoted.
