SPRING 2020/2021 ATHLETICS SPECTATOR PLAN
Revised 3/16/2021

Upper Adams School District understands the importance of interscholastic sports and the educational impact athletics has for our students. We also understand the importance and passion our community has for our athletes and our sport programs. With the aforementioned in mind, Upper Adams School District has developed a revised plan for spectators at our home sponsored events for the 2020-2021 Spring sports season. The following plan is to be strictly adhered to at all home events at both the junior high and Varsity levels.

- All sport-related activities must adhere to the gathering limitations set forth by the Governor's 3/1/2021 revised mitigation restrictions on gatherings. Gathering limitations include all players, coaches, medical personnel, security, officials, Game help, all other essential personnel, and spectators.
- All individuals present at the school facility must comply with the universal mask order and 6' social distancing guidelines.
