Dear GSA Families:

Every year, there are families who want to attend graduation ceremonies at George Stevens Academy and Deer Isle-Stonington High School.

This year, the Union 76 superintendent and I have worked together to make it possible for people to attend both of the Sunday, June 11 ceremonies. Deer Isle-Stonington High School will begin its ceremony at 12 p.m., and we will begin ours at 2 p.m. on our front lawn.

As usual, Senior Class Night will take place the day before commencement, on Saturday, June 10, at 4 p.m. on the front lawn.

Respectfully,

Tim Seeley
Head of School
