Independent School District 624

Neighborhood Meeting Invitation

March 15, 2023, 7:00 p.m., The Union in the New Addition,
5040 Bald Eagle Avenue, White Bear Lake MN, 55110

March 3, 2023

Dear Neighbor,

The School District has applied to the City of White Bear Lake for a conditional use permit amendment to expand the seating capacity of the new athletic stadium at North Campus. We are proposing this expansion in order to relocate football games from their current location at South Campus to the new athletic stadium at North Campus beginning in the fall of 2024. A site map and a brief description of our proposal are enclosed.

We invite you to attend a neighborhood meeting where a team of representatives from the School District, Wold Architects and Engineers, Larson Engineering, and SEH Engineering will share our plans, answer any questions, and listen to your feedback. This neighborhood meeting will take place at 7 p.m. on Wednesday, March 15 in the Union in the new addition of the current White Bear Lake Area High School North Campus. **Attendees should park and enter the building at the west entrance on the Bald Eagle Avenue side of the building (5040 Bald Eagle Ave).** If this meeting time isn't convenient, you can also review plans on our website at isd624.org/BuildingOurFuture. If you would like to speak with someone regarding our plans, or if you would like to request any documentation you can contact Tim Wald, Assistant Superintendent for Finance and Operations, at tim.wald@isd624.org or 651-407-7516.

As part of the conditional use permit amendment review process, the City of White Bear Lake will also consider and act on our plans during two upcoming public meetings at City Hall. It is our understanding that the White Bear Lake Planning Commission will review our application and make a recommendation to the City Council on March 27, 2023, starting at 7:00 p.m., and the City Council will review and take action on our application on April 11, 2023 starting at 7:00 p.m. More information about these meetings can be found on the city's website (www.whitebearlake.org).

If you would like to tour the new classroom and field house additions, join us at 6 p.m. for a tour prior to the neighborhood meeting.

Sincerely,

Dr. Wayne A. Kazmierczak
Superintendent
