All lessons are 30 minutes starting from 6pm-8pm at the Dexter Community Pool @ Wylie Elementary. Max of 4 kids per class.

## CLASS LEVELS

- **Little Piranha Beginner:** Students in this group will learn how to be safe and comfortable in the water. They will learn how to put their face in the water as well as floating on their back. They will learn to move through the water on their stomach and their back. They will also learn how to roll from their stomach to their back and back to their stomach.
- **Little Piranha Intermediate:** Swimmers in this group will start to learn how to swim a very basic freestyle stroke. Working on becoming more confident on flipping from the stomach to their back and working their way towards a side breath. They will also be introduced to the breaststroke, butterfly and backstroke arms.
- **Little Piranha Advanced:** Swimmers in this group will start to learn the tools and skills of the competitive strokes. Swimmers in this group will work towards putting the strokes together and understanding how they fit. They will understand the basics of butterfly, backstroke, breaststroke, and freestyle. They will work towards swimming 25 of each stroke. Swimmers who complete this level will automatically qualify for DCAC’s Bronze group with an opportunity to evaluate into silver right away.
