Setting A La Carte/Snack Purchase Limits

Every student is charged the a la carte rate for **any item AFTER their first full meal of the day**, regardless of free or reduced eligibility.

If your student chooses any additional items, such as snacks or a second meal portion; they will be charged at the a la carte rate.

If you want to put a daily limit on the amount of money that can be spent on snack/a la carte purchases:

Click **Set Ala Carte Limit**. For each student, you can choose to set a dollar amount limit greater than 0.00 per day. Then click Save.

PLEASE DO NOT select, "Do Not Allow Purchase" because it will prevent your student from purchasing ANY meals.

The screenshot shows the Skyward Family Access interface. The 'Food Service' tab is selected in the left sidebar. A modal window titled 'Daily Ala Carte Limit' is open, showing options for two students: CHLOE CLARK ELEMENTARY and PIONEER MIDDLE. The 'Set Ala Carte Limit' button is circled in red, and the 'Save' button is circled in green. The modal shows the 'Set a Limit' radio button is selected for both students. The 'Daily Ala Carte Limit' field is set to 0.00 for CHLOE CLARK ELEMENTARY and 5.00 for PIONEER MIDDLE. A yellow highlight in the modal text states: 'This limit does not include purchases of Breakfast or Lunch meals. A value of 0.00 means that a limit is not set.'
