Kankakee Valley Intermediate School
Policies for Students 2022-2023

Vision KVIS: *Enlightening Minds for Brighter Futures*

Mission Statement Kankakee Valley Intermediate School will educate, motivate, and empower students every day.

We want our students to be **excited** about learning. We will spark this excitement by engaging them in **relevant learning** opportunities that interest them and challenge them to **think critically**. We believe these actions will produce students who are college and career ready.

Approval This handbook was approved by the Kankakee Valley School Corporation Board of School Trustees at the regular meeting on May 23, 2022.

Assessments will be administered to students throughout the school year to track academic progress. The following assessments are administered:

Fifth Grade: CogAT Testing (Spring Semester)

Fourth-Fifth Grade: ILEARN

Fourth-Fifth Grade: NWEA (Beginning, Middle, & End of Year)

Assignment Books/Agendas are provided to all students to assist in organizing his/her daily, weekly, and long-term assignments. Students are expected to record assignments in the proper area.

Athletics Participants in school-sponsored athletics must have a physical examination, parent permission, proof of insurance, and pay applicable fees. To be eligible for sports, a student cannot be failing in any subject or have an unsatisfactory conduct grade. Eligibility will be checked at midterm and on the day report cards go out. A student who is absent during the day is not allowed to participate in athletics or any activities for that day.

Athletic Event Attendance Student spectators who attend athletic events must be accompanied by their parents or the parents of a friend. Students may not be "dropped off" for events. Students who attend games at our school are expected to stay with a parent and to sit in the gym and watch the game. Students who do not conduct themselves properly or attempt to come to games unsupervised may not be allowed to come to future events.

Attendance Consistent attendance is expected of all students and is a major factor in achieving academic success. Indiana laws also require school attendance. Attendance is recorded once in the morning and again in the afternoon. Generally, students are marked as present, absent (excused and unexcused), tardy, or left early. The only excusable absence is for illness, a note from a doctor, death in the family, or a prearranged absence approved in advance.

1. Parents should call the Main Office by 9:00 am to report your child's absence for that school day. Upon returning to school from an absence, the student should submit any documentation for the necessity of the absence. If no communication for an absence is made to the Main Office, that absence will be considered unexcused.
2. If a child has an illness which will cause him or her to be out of school for more than three days, the office or the school nurse should be informed concerning the illness.
3. A doctor's excuse may be required for all absences after three days.
4. In order to be promoted to the next grade, a student in grades 4-5 must be in regular attendance for a minimum of eighty-four (84) percent of the school year.
5. A Pre-Planned Absence Form must be submitted to the Principal at least five (5) days before the start of a planned absence. Approval for vacation/educational trip requests will be evaluated by the

following standards: previous attendance records, previous requests, academic performance and the educational value of the activity. Trips should be limited to one each year and normally not exceed five school days in length. Trips which include days of mid-term/final examinations, achievement testing and State Testing will not be approved. Although the absence may be deemed an exempt absence, it does count against perfect attendance and/or final exam exemptions.

6. A student has one day to make up work for each day he or she has been absent.
7. Any student absent during the school day may not participate in extracurricular activities that day, unless arrangements for the absence were made through the principal's office.
8. Tardiness. Students who come to the classroom after 8:40 am and are not on a "late" bus are considered tardy. Excessive tardiness could require after-school detention to make up time. Parents must sign tardy students in at the school office.
9. Missing the bus is considered an unexcused absence.
10. Excessive tardiness and/or absences must be reported to appropriate agencies by school officials.
11. Awards for Perfect Attendance will be given to students at the end of each quarter, semester and the end of the school year. In order to qualify, a student must be present the full time for the entire day each day during the semester or the school year.
12. Unexcused absences are reported to the State of Indiana.
13. Project Attend letters may be sent after 5 and 10 days of absence.

Behavior Reports will inform parents about their child's behavior at school. A well-behaved child surrounded by other well-behaved children will learn more. A behavior report is sent home with students who break school rules. Parents need to sign and return the form.

Each report has a specific consequence and will start over at the beginning of each 9 weeks grading period.

A detention center will be available on Tuesday & Thursday afternoons from 3:35 p.m. to 4:05p.m. The detention will be a quiet time unless the homeroom teacher sends work to be completed or has developed a specific behavioral contract. The principal and/or assistant principal may also schedule the 1 ½ - hour detention. It is available from 3:35 – 5:05.

Parents are expected to sign the student out of an afternoon detention. Parents are responsible for the child's transportation. If a student does not serve a detention within a two-week period after it has been merited, that student may be suspended from school.

This program is designed to enhance and give support to the individual teacher's discipline plan. Any staff member may issue behavior reports to any child in the school. It is important to realize that the Behavior Report is a tool for communicating with parents. We need parental support when dealing with student conduct. Behavior Reports may be used to inform parents of problems such as misbehavior or that a student is not prepared for class.

Bicycles Students are not allowed to ride bicycles to school. Considering the roadways and the traffic, there is no safe way for students to ride a bicycle to our school.

Birthdays are a special time. However, at this age, class time is not used for birthday parties. With teacher permission, a single, commercially wrapped food item may be sent to school to be shared with all during a teacher-selected time. Parents should contact the teacher the day before the treat will be sent. Special gifts such as flowers, balloons, etc., are not delivered to classrooms for students at school. Students are not allowed to bring party invitations to

pass out at school unless the entire group of boys or girls in the classroom are invited. This prevents students from feeling left out, as we strive to maintain a positive school environment.

Birthday Book Club Birthday books may be donated to the school media center. These books for our library have a plate in front showing whose birthday was honored. The birthday child is the first person who may check out the book from the media center. For further information call the school media specialist at 987-2027.

Book Rental School textbooks are purchased for a period of six years. Students are expected to take care of the books and not mark in them. If a book is lost, the student is responsible for its cost. Lost books must be paid for and replaced immediately. Any wear or markings in textbooks may result in additional charges: The fine for a damaged book will be the full purchase price.

Breakfast A breakfast program is offered for all students. Students who want to eat breakfast need to be at school by 8:30. On days when there is a two-hour delay, breakfast will not be served.

Bullying as defined in State law means overt, repeated acts or gestures, including verbal or written communications transmitted, physical acts committed, or any other behaviors committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the other student. It would include, but not be limited to, such behaviors as stalking, intimidating, menacing, coercion, name-calling, taunting, making threats and hazing. Disciplinary actions may include suspension or expulsion. Cyberbullying is bullying through the use of technology or electronic devices such as telephones, cell phones, computers, and the internet. It includes, but is not limited to, email, instant messages, texting messages, and Internet postings.

What Bullying is Not

- **Mutual Conflict-** In mutual conflict situations, there is an argument or disagreement between students but not an imbalance of power.
- **Social Rejection or Dislike-** Unless the social rejection is directed towards someone specific and involved deliberate and repeated attempts to cause distress, exclude or create dislike by other it is not bullying.
- **Single-Episode** acts of nastiness or meanness, or random act of aggression or intimidation.

Candy Eating candy, etc. is forbidden in classrooms unless allowed by the teacher at a special occasion such as a class party.

Calendar The school calendar will be available on the Kankakee Valley School Corporation website. Please schedule your family vacations to coincide with our student non-attendance days.

Care of School Property The citizens of Kankakee Valley School Corporation have provided some of the best facilities and equipment found anywhere. Students can best show appreciation by taking care of the building, equipment, and grounds so they can be passed on to future students in excellent condition. Any student who destroys or defaces school property will be required to repair or replace the damaged item and will also face further disciplinary action. Except for cases of unavoidable accident, students are liable for all damages they may do to school property.

Cell Phones Students are prohibited from using cell phones during their school day. This policy includes lunch periods, recess periods, school sponsored trips, as well as after school programs such as learning lab or detention. If parents want their child to have a cell phone, the phone must be

kept in the student's book bag with the power turned off. Students may not carry a cell phone on their person during the school day. Smart watches, and other electronic communication devices are to be turned off and placed in their backpack. The school will not be responsible for loss, damage, or theft of any electronic device or cell phone brought to school. It is recommended to keep cell phones and other devices at home.

Chaperones are essential for maintaining the safety and security of our students when on Field Trips. Chaperones are chosen by the classroom teacher and will be expected to follow the directions of the teacher and assist as needed. Chaperones will refrain from using cell phones, tobacco products, and taking/posting videos or photographs of students.

Change of Address Please notify the school office in case of change of address, reference, or telephone numbers. This will aid us in contacting the proper people in case of an emergency.

Change of Routine If your child is to leave school other than in his/her normal routine manner, written parental/guardian permission is needed. The note needs to be signed and dated and should be given to the classroom teacher. Children who do not have the proper verification of routine change will be sent home in the normal routine manner. Parents need to call before 1:00 pm if there are any necessary transportation changes. Children are not allowed to leave school at any time during the school day on their own. Parents/guardians must come to the office to sign out the student. This policy is for the safety and welfare of all our students.

Child Care Intermediate School students may participate in the After School Childcare programs housed at either DeMotte or Wheatfield Elementary Schools. Students will ride the bus to the programs at the elementary schools. After school child care is held at both WES and DES from the time school is dismissed until 6:00 p.m. A before-school childcare program is offered at Kankakee Valley Intermediate School for elementary students from 6:30-8:30 am. Students that attend DeMotte or Wheatfield Elementary will ride the morning bus from KVIS to their home schools. Children must be enrolled in the Main Office prior to going to the Before School or After School program.

Child Abuse The State of Indiana requires that all public employees report the suspected physical, emotional, and/or sexual abuse, including neglect of a child to an authorized agency. The employees of KV will fulfill their obligation by law to do so when action is warranted.

Class Placement KVIS has adopted a policy that we do not accept requests for children to be placed in a specific teacher's classroom. It is impossible to find an equitable method to permit requests for a certain teacher. If you feel that your child has special requirements or would not work well with one certain teacher, please write a note and send it to the principal before June 1st.

Classroom Whenever students come into the building, they should go directly to their classroom. No loitering in halls or restrooms. Students have a big job in helping to keep the building neat and clean and take good care of desks and books. Each student will take care of his or her own property. Students will respect the property of others, including not touching anything that does not belong to them. Students also must stay out of teachers' desks, chairs, and cabinets.

Communicable Disease In order to assist in the control of communicable diseases such as influenza, COVID-19, head lice, scabies, pink eye, etc. parents are asked to report such diseases in their children to the school nurse. For more information, please visit <https://www.lkv.k12.in.us/Content2/SickChildGuidelines>.

Conduct and Discipline Discipline is another word for respect, respect for self, others, authority, and a recognition of rules. Discipline is an attitude that begins at home, is reinforced at school, and applied throughout life. The staff wishes to work with parents in the proper discipline of all students. Important components of a good discipline program include the following:

1. Communication. Behavior standards and guidelines need to be clearly understood.
2. Expectation. Parents and staff must expect children to behave at school and to demonstrate skills of citizenship.
3. Identification. The real cause of misbehavior must be identified if a change is to occur. Parents and staff need to work together to determine causes of misbehavior and to apply consequences that will help change occur.
4. Action. Through honest and fair treatment, staff and parents need to work together to assist students in realizing that there are consequences for misbehavior at school, and that students can learn from mistakes.
5. We need to work together and support each other. Good discipline is for the betterment of your child.

Conduct - Alternative Educational Setting

1. Students assigned to the Alternative Education Setting are to report to the main office by 8:40 a.m.
2. Students are to bring only approved textbooks and materials such as pencil, pen, and paper. When students complete assigned work, supervisors may provide additional materials.
3. There is to be no talking among students in the room. First offense will result in a warning. The second offense, the student will be assigned an additional day in the alternative educational setting. For further offenses, the assistant principal or principal will decide on disciplinary measures.
4. Students are to remain in their assigned place at all times.
5. Absolutely no sleeping. If a student's head is down or their eyes closed, they are considered sleeping.
6. In the event a student is discharged from the alternative educational setting, the student will be suspended out of school for up to five days. Upon return to school, the student may be reassigned to an alternative educational setting before the student is allowed back into the regular classroom.

Conduct – Cafeteria

1. Students eating in the cafeteria are expected to practice acceptable table manners. We reserve the right to deny lunchroom privileges to any student who fails to comply with these rules.
2. Snack foods and ice cream that are sold in the cafeteria should not be the main diet for students. It is expected that each student will eat a regular lunch from the cafeteria or bring a lunch from home. Good eating habits should be encouraged and extra snack foods should be purchased only as a supplement to a regular lunch.
3. All food is to be eaten in the cafeteria or classroom. Students are not allowed to take snacks outside or in the hallway.
4. While eating students are to sit at their assigned table. Students are to remain seated and raise their hand if they need something.
5. Students may talk in a low tone of voice only to those seated around them. No loud or boisterous behavior at the table.
6. Absolutely no throwing of food, paper, or any item.
7. Be orderly and mannerly in the serving line.
8. Leave the table in a clean condition for others.
9. Pop is not allowed for hot or sack lunch in the cafeteria.
10. Food is not to be shared.

Students may be denied lunchroom privileges if they fail to comply with these rules.

Conduct – Playground

1. Always remember "**Safety First**" on the playground. When a student must make a decision as to whether something is right or wrong, he/she will usually do the right thing if common sense is used. Playground is to be used for its intended purpose and not in an unsafe or dangerous manner.
2. Students are never to leave school grounds without the permission of the principal or assistant principal.
3. The following things are not allowed on the playground: bicycles, skateboards, pogo sticks, squirt guns, spiked shoes, stilts, golf balls, footballs, hardballs, sharp items, or any other dangerous item. No name-calling, inappropriate language, or gestures. This includes any events that take place at school including field trips.
4. No throwing rocks, ice, snowballs, wood fiber etc. These things should not even be picked up.
5. Tag is not to be played on any climbing equipment. No dangerous or excessively rough games are allowed. This includes: football, wrestling, fighting, or "play fighting". No jumping out of swings.
6. If soccer is played, it is to be played properly--no tackling or carrying the ball. Students who do not play properly will not be allowed to play soccer.
7. When recess begins, go to the restroom and get a drink before going outside.
8. When recess is over, line up immediately when the whistle is blown. Students should go quietly and orderly into the building and go directly to the classroom. Students should be seated and class started within five minutes after the end of recess.
9. All coats and playground equipment are to be taken to the cafeteria for lunch recess. Students are not allowed to go back to the classroom for these items.
10. During recess, students must stay outside and not come back into the building without permission. No playing in the halls or restrooms during recess or any time.
11. If, due to sickness or other good reason, a student must stay inside, the student must have a note for that day stating the reason he or she must stay in. These students must take schoolwork and go to a designated area for supervision.
12. Students may not remain in the classroom or any other area of the building unless there is a teacher or other adult present.
13. Any items found on the playground should be brought to the office.
14. Students must use playground equipment safely and properly or they will not be allowed to use this equipment. Swings are to be used in a seated position. Students should not turn, twist, or jump out of swings. All equipment is to be used in the manner for which it was intended. Specific rules will be made as the need arises and they will be announced.

Conduct - Recess Inside (rainy or cold days) Students should play a quiet game, read, do class work, or other quiet activity during inside recess. Absolutely no running, wrestling, throwing items, or rough games are allowed in the classroom. Students may not play inside with outdoor play equipment such as balls, bats, ropes, etc. Students may not scribble or write on the boards or use technology devices.

Conduct - Restrooms

We wish to maintain a clean and safe facility. For health reasons, restrooms must remain clean. Students should follow the following rules:

1. Wash hands!
2. Do not climb, hang on, or stand on toilets, sinks, or partitions.
3. Dispose of paper properly. Only toilet paper in the toilet, paper towels in the waste can.
4. Flush toilets or urinals after each use.

5. Keep water in the sink and do not splash it on others or on the floor or mirrors.
6. Leave restroom area immediately after using toilet or urinal and leave sink area immediately after washing hands.

Conduct - Special Classes Since we firmly believe that success depends on self-discipline, we have developed a classroom discipline plan that helps every student make good decisions about his/her own behavior. This plan will be in effect at all times in special classes because your son/daughter deserves the most positive educational climate for academic growth.

1. Follow directions the first time given, including posted rules and due dates.
2. Go to your assigned area with required materials upon entering the room.
3. No swearing, teasing, put-downs, or disruptive noises.
4. Keep hands, feet, and all objects to yourself.
5. No gum, candy, or other objects in your mouth.

REWARDS

To encourage students to follow the rules, we will reinforce appropriate behavior with individual and/or class-wide rewards. Points are usually accumulated each semester towards rewards.

If a student chooses to break a rule:

- | | |
|--------------------------|--|
| 1 st time/day | Warning. |
| 2 nd time/day | Ten-minutes in the time-out area. |
| 3 rd time/day | KVIS Behavior Report taken home and signed by parent/guardian. |

Conflict Resolution Intelligence, consideration for others, mutual respect, and calm behavior rather than physical confrontation, violence, and force shall be used to solve conflicts between all persons at our school.

Cooperation with Other Agencies The State of Indiana requires that all public employees report the suspected physical, emotional, and/or sexual abuse, including neglect of a child to an authorized agency. Attendance problems may be reported to the KV Attendance Director, the prosecuting attorney or other agencies. The staff of the school will fulfill their obligation by law when action is warranted. Law enforcement officials may be called for cases of vandalism or criminal mischief.

Criminal Background Checks If you are going to volunteer in school, be a chaperone for a field trip, or help with school events, you will need a criminal background check on file in the school office. Please send a note to your child's teacher requesting a background check form.

Cult Activities Any form of promoting these activities such as displaying clothing, jewelry, emblem, badge, symbol, verbal or written statement, sign or items that shows or reflects affiliation will not be tolerated.

Custody It is necessary that school records be current regarding custody and visitation in cases that involve divorce or separation of a student's parents. Copies of court orders or decrees must be on file in the school office. It is the parent's responsibility to keep the school informed of all changes. Non-custodial parents may receive student information as allowed by court orders. The non-custodial parent must request such information in writing and must provide self-addressed stamped envelopes. This request is renewable annually and is the responsibility of the non-custodial parent.

Dangerous or Disruptive Items Students cannot bring any kind of weapon, dangerous, or disruptive items to school. All guns, knives, butter knives, toy guns, BB or pellet guns, squirt guns, water balloons, skates, shoes with skates, skateboards, and smoke bombs are banned from school. Toys that look like

weapons are also banned. Trading cards are not allowed. Other items may be banned as the need arises.

Dismissal During the School Day When a student is to be released during the school day for an appointment, parents should send a note to the teacher. When picking up students, parents must come to the office to properly sign the child out. Anyone picking up a student must be prepared to present state issued identification. The only people allowed to pick up children are those listed on the emergency contact list. If you send someone other than the person on this list, they must have a note with your signature. Students will not be called out of class until someone is at school to pick them up. **No one is allowed to go directly to the classroom to pick up a child.**

Disrespectful Behavior This school corporation does not condone inappropriate, disrespectful language, gestures, or behavior directed toward any school employee. Violators will face disciplinary action.

Dress – Appearance All students must come dressed neatly and appropriately. A student should be attired and groomed in such a way as to reflect credit to himself, his family, community standards, and his school. Just as later in life many jobs and social functions require appropriate dress, there is an appropriate way to dress for school. Any form of dress or hairstyle which is considered contrary to good hygiene or which is distracting or disruptive in appearance and detrimental to the educational mission of the school will not be permitted.

Clothing should be clean. Holes or rips must be at the knee or below. Attire advertising alcoholic beverages, tobacco, drugs, as well as clothing or buttons with obscene, offensive, inappropriate, suggestive, or questionable printing on them will not be permitted. Any garments that could damage school property may not be worn to school. Undergarments must not be exposed. In general, hats, sunglasses, visors, bandana hats, head coverings of any kind, etc., are not to be worn in the building. Footwear must always be worn. "Flip-flop" shoes or high heels are not allowed. No clothing may be worn which shows parts of the body not normally seen. Clothing must be worn at waist level and must completely cover underwear and must be worn so that the midriff is not exposed. No shirts with "spaghetti straps" or halter tops should be worn unless there is another shirt covering them. Tank tops with a 2" shoulder strap are acceptable. "Halter" tops, bare midriff blouses, slippers, pajama-type clothing, and pants worn low are inappropriate school wear. Shorts must be of proper length; no "short" shorts.

During cold weather students should come dressed warmly enough to spend recess outdoors. Items normally worn as "outdoor clothing" such as coats are not to be worn in the classroom unless permission is granted. Hats are to be removed when in the building. Hats are worn outside or anywhere on school property or school transportation. No items may be worn which could create a health or safety hazard (metal heel plates, spike shoes, shoes with skates, safety pins, or long earrings). Any item that includes a heavy chain, spiked bracelet, or spiked necklace is forbidden.

No policy can address all situations. The administration will make the final determination whether or not the dress or appearance meets these criteria:

1. community standards,
2. disruption to the educational mission.

eLearning Days A (synchronous) eLearning day is the equivalent of a regular school day and subject to regular attendance and disciplinary procedures. Students are expected to be logged in and 'live' in class according to the daily schedule set forth by the school. Student assignments will be due at the direction and discretion of each classroom teacher. Unexcused days can be counted towards disciplinary action per school

policy. Please refer to the KVSC website's "eLearning" tab for further eLearning FAQs.

Electronic Devices such as radios, video games, recording devices, smart watches, other similar devices are not allowed to be used at school, including recess. Laser pointers and electronic paging devices are forbidden. If these items are brought to school, they can be confiscated. Students may not carry cell phones or smart watches on their person, and they must be powered off and kept in their backpack from the time the student boards the bus until the time of getting off the bus. We do not encourage students to bring radio-controlled cars or electronic games to school because of their expense. Students who bring radio-controlled cars or electronic games to school are totally responsible for them. iPods, iPads and other tablet devices as well as electronic readers and laptop computers are beneficial educational tools. However, because of the expense involved and the chance for damage, we do not encourage students to bring these devices to school. As with any electronic device, if a student decides to bring the device, the student is totally responsible for damage, loss, or theft of the device.

Elevator Students may only use the elevator if granted permission by the nurse or principal. A doctor's note may be required.

Emergency Preparedness Fire, Tornado, and Lockdown drills are necessary and serious business. Students will go to the proper areas in a safe, quiet, orderly manner. Kankakee Valley School Corporation has a Contingency Evacuation Plan. Failure to comply with staff directions during emergency drills will result in disciplinary actions. Fire alarms are to be used only in the case of a fire or used by the administration for fire drills. Misuse of fire alarms may be punishable by suspension. Civil authorities may also be notified as specified in Indiana Code 35-44-2-2(b).

Emergency School Closing KVSC utilizes *School Messenger*, a service that contacts families by telephone in the event of emergency school closing. It is crucial that we have the correct telephone number in order to reach families in a timely manner. Delays, closing, and emergency dismissals are posted on the KVSC Website, as well as Facebook, and the following radio stations WLQI- 97.7 FM Rensselaer and WLJE- 105.5 FM Valparaiso.

In the event of a two-hour delay, school doors will open at 10:25 and classes will begin at 10:45.

If school must be dismissed early during the day, students will be dismissed as soon as the buses arrive. School Messenger will be used to alert parents that children will be coming home early. The KVSC Website, and Facebook page will be updated with closing information. Children will be sent home on their regular bus for early dismissal unless parents provide other written instructions. Students cannot make phone calls for early dismissal, nor can school personnel call for them. It is the responsibility of parents to provide a safe plan for their child if school is dismissed during the school day. After school child care is not available when school is dismissed early.

Endangerment Students that behave in a manner that causes concern for their safety and/or the safety of other students could face appropriate disciplinary measures including suspension, exclusion, and expulsion.

Enrollment Requirements New students must be accompanied by a parent or guardian when enrolling at school. Proof of immunization, proof of birth, and two documents which show proof of residency are required when enrolling. Copies of divorce decrees when applicable are also needed. Students transferring from another school must have a release of records form signed at the time of enrollment. Parents of special education students must meet with an administrator or Cooperative Services Coordinator for a move-in conference, as soon as possible. Students who have been home schooled or

who have attended a non-accredited school may be tested and placed at the determination of the school's administration.

Excuses from Physical Education Students are expected to participate in physical education. In order to be excused from PE, a written excuse from parents or doctor must be presented. One parental excuse will be allowed each semester. Excuses for an extended time must be from the doctor. Doctor's orders will always supersede any parental note.

Extracurricular Activities are activities "over and above" the regular school program. To be eligible for any extracurricular activity, a student may not be failing in any subject or have an unsatisfactory conduct grade. A student who is absent any part of the school day is not allowed to participate in the extracurricular activities for that day, unless arrangements for the absence were made ahead of time with the principal's office (such as a funeral). The activity sponsor will check eligibility each grading period on the day report cards go out as well as at mid-term.

False Fire Alarms The fire alarms at Kankakee Valley Intermediate School are to be used only in case of a fire, or used by the administration for a fire drill. Misuse of fire alarms may be punishable by suspension. Civil authorities may also be notified. (IC 35-44-2-2(b))

Fighting in any form is not allowed at school. Students involved in a confrontation with another person while attending school or a school-sponsored activity may be suspended or expelled from school depending on the severity of the confrontation.

Field Trips that expand the curriculum may be taken during the school year. In order for a student to go on a field trip, he or she must have written permission signed by parents/guardians. Other notes or oral permission are not sufficient. Students are expected to demonstrate good citizenship skills while attending field trips. Chaperones assigned to the field trips will need to have a background check before leaving. **Students who violate school rules may lose the privilege to go on field trips.**

Firearms or Bomb No student shall possess, handle, or transmit any firearm or a bomb on school property. The penalty for possession of a firearm or bomb is up to ten days suspension and expulsion from school for one calendar year with the return of the student to be at the beginning of the first semester after the one-year period. The superintendent may reduce the length of the suspension if the circumstances warrant such reduction.

Fundraising Only approved fundraisers are allowed at school. All fundraising activities are subject to the principal's approval. We do not permit children to sell items for other organizations during school hours or activities without prior permission.

Gang Activity Gangs and gang activity are not allowed at Kankakee Valley Schools. For purposes of the policy, a "gang" is any group of two (2) or more students whose purposes include violating laws or any KV School policy. Police may be brought in on suspected gang activities.

No student at school, school activity, or on school transportation shall:

1. Wear, possess, use, distribute, display, or sell any clothing, jewelry, emblem, badge, symbol, sign, or other items, that evidences or reflects membership in, or affiliation with any gang;
2. Engage in any act, either verbal or nonverbal, including gestures or handshakes, showing membership or affiliation in any gang or alleged gang, or gestures/signs that threaten other students;
3. Engage in any act to promote the interests of any gang or gang activity, including but not limited to:
 - a. soliciting membership in, or affiliation with, any gang;

- b. soliciting the person to "pay" for protection, intimidating, or threatening any person, in any way, with violence or any other illegal or prohibited act;
- c. painting, writing, or in any way inscribing gang related graffiti, messages, symbols, or signs on school property;
- d. engaging in violence, extortion, or other illegal act or violation of school policy;
- e. soliciting or inciting any person to engage in physical violence against any other person.

Violation of Policy: Students in violation of this policy shall be subject to the full range of disciplinary measures, including suspension and/or expulsion, in addition to applicable criminal and civil penalties.

Gifts for Students We discourage the delivery or giving of special gifts to students during the school day such as birthday presents, flowers or balloons. Balloons are not allowed on the school bus.

Glass Containers Please do not send anything, especially food or drinks for lunch, in glass containers.

Google Classroom The online learning management system, Google Classroom has been adopted by KVSC for use in grades kindergarten through fifth grade. All students are expected to enroll and participate fully as directed by their teachers.

Grading One of the important things that teachers do is to share students' progress with parents. This is usually accomplished through the use of a report card. Our system of grading student achievement helps the student, teachers, and parents determine how well the student is achieving the goals of our school and the Indiana Academic Standards. Report cards are posted on Skyward Family Access at the end of each nine weeks grading period. Questions that arise about grading of student work or report card grades should be directed to the classroom teacher.

Letter grades will be used in the academic areas. The marks S (satisfactory), S-, and U (unsatisfactory) will be used in Science and Social Studies and the special subjects of music, art, and physical education.

Grading Scale

100 - 93	A	92 - 90	A-	89 - 87	B+
86 - 83	B	82 - 80	B-	79 - 77	C+
76 - 73	C	72 - 70	C-	69 - 67	D+
66 - 63	D	62 - 60	D-	59 - 0	F

Other markings are explained on the report cards.

Grade Reporting Parents and students will be issued login and password information for the Skyward Family Access. Parents and students may check grades, attendance, and other information as well as print grade reports from the convenience of their home or office computer.

Gum is not allowed anywhere, on school grounds, in the building, on the bus, or on field trips.

Habitual Truancy Truancy is defined as absence without an acceptable excuse. A habitual truancy means a student who is absent without an acceptable excuse for three (3) or more days during a semester. Truancy may be referred to the School Resource Officer, and excessive truancy will be referred to the Jasper County Prosecutor's Office for legal action.

Hall Courtesy Absolutely no running, playing, or loud talking in halls or restrooms. Students should walk quietly, in single file, on the right side of the hall so that classes in session are not disturbed. Classes and groups of students will be escorted to and from classes by adult supervisors.

Messages For Students Please do not phone in messages during the day for children unless it is an **absolute emergency**. Many messages that are phoned in can easily be taken care of by giving the student a note in the morning. We have a large number of students and also do not wish to interrupt classes to give messages unless it is an emergency.

Missing and Absent Children It is the interest of this School Corporation to cooperate with local, State, and National efforts to decrease the number of missing children.

Emergencies do not include forgotten homework, lunches or lunch money, notes for field trips, bus changes, or other such needs that should have been addressed at home.

Parent-Teacher Conferences Parent-teacher conferences are scheduled once during the school year. However, parents and teachers are encouraged to hold conferences whenever it is in the best interest of the child. These conferences must be scheduled at a time when the teacher does not have students in the classroom. Teachers cannot be taken from the classroom for conferences. Conferences may be scheduled by calling the school office.

Parents-Teachers TOGETHER KVIS has an active Parent-Teacher Group, and parents are invited to participate. These groups serve to provide a richer learning and growing environment for all children of our school. The objectives of the group are:

This prevents students from feeling left out, and we strive to maintain a positive school environment.

If you wish to be given notice of such pesticide applications, please notify the principal or principal's designee. Problems, Complaints, Suggestions Parents are encouraged to visit the school to discuss concerns. In most cases, by discussion with the appropriate people, the problem can be resolved to everyone's satisfaction. Parental suggestions and input are vital to the school. The following guidelines are suggested as the proper procedure to be followed by persons with questions or complaints:

1. Matters concerning individual students should first be addressed to the teacher;
2. Unsettled matters from (1) above or problems and questions concerning the school should be directed to the assistant principal and next (if necessary) to the principal;
3. Unsettled matters from (2) above or problems and questions concerning the school corporation should be directed to the Superintendent;
4. If the matter cannot be settled in a satisfactory manner by the superintendent, the matter should be submitted in writing to the School Board for consideration or action.

Promotion, Placement, Retention In order to be promoted to the next level, the student must have mastered a sufficient number of objectives in the current grade level. Teachers will communicate with parents when students are

performing at a level that might endanger their promotion to the next grade level. Other methods of communication will be expected. Any child who does not prove mastery of the objectives for a given grade level will be a candidate for retention. Parental input is considered in the placement of children. However, in accordance with Indiana law, the school administration reserves the right to make the final determination on placement. In all cases the child's welfare will be the first consideration.

Recess As part of the educational program, students are provided with recess periods each day. Students are expected to participate unless a daily written excuse is provided explaining the reason for non-participation. Excuses from recess for long periods of time must be from the doctor. Outdoor recess will not be taken in extremely cold or inclement weather.

Using any electronic device to capture, record and/or transmit audio and/or pictures/video of an individual without proper consent is considered an invasion of privacy and is not permitted.

Registration It is important that all students be registered before school begins. Returning students will register online. It is vital that the student's phone number, address, and other requested information are entered into the online program correctly. It is also extremely important that emergency contacts are listed in case of illness or accident. All students must have a certified birth certificate and proof of residency on file. The name on the birth certificate will be the legal name used on all school files, records, educational documents, class lists, report cards, etc. In cases of divorced parents, a copy of the divorce decree setting forth visitation rights must be on file. It is necessary that the school records be accurate and current regarding custody and visitation privileges in cases where a student's parents are divorced or separated. Forms to indicate custody, visitation, attendance at teacher conferences, and removal of the student from school by parents not having custody should be retained in the office. Copies of court orders and decrees must be on file. It is the parent's responsibility to keep the school staff informed of all changes. Non-custodial parents may receive student information as it is allowed in court orders. The non-custodial parent must request such information in writing and must provide self-addressed stamped envelopes; this request is renewable annually and is the responsibility of the non-custodial parent.

Upon arrival, students should go directly to their classroom and be seated. No students are allowed in the halls or restrooms at any time without teacher permission. Afternoon car rider dismissal begins at 3:10.

School District Boundaries The State of Indiana has established boundaries for Indiana Schools. The Kankakee Valley School Corporation School Board has established boundaries for the schools in its corporation. Students must legally reside with their custodial parent within corporation boundaries in order to attend our school. Custody arrangements to circumvent this policy will not be considered valid for school attendance. A student who does not have legal settlement in our school boundaries may be expelled.

School Nurse Students may not go to the nurse's office without teacher or staff permission unless there is an emergency. If a student becomes ill during the day, they must see the nurse before calling parents. Normally, students are kept in school unless they have an elevated temperature.

School Pictures are taken annually. Parents are not required to purchase pictures. However, we do ask that all students have their picture taken for school records. Student pictures are sometimes published in the newspaper and other school and corporation publications. If parents do not wish to have their child's picture published, they should contact the office.

Screenings Hearing screenings are done as students enter 4th grade. Vision screenings are done in 5th grade. A referral for further medical attention will be sent to parents as needed.

Searches All student cubbies, book boxes, and student desks made available for students' use on the school premises are the property of the school corporation. Student cubbies are made available for student use in storing school supplies and personal items necessary for use at school, but, these items are not to be used to store items which cause, or can reasonably be foreseen to cause, an interference with school purposes or an educational function, or which are forbidden by state law or school rules. The students' use of the cubbies, book boxes, or desks does not diminish the school corporation's ownership or control of the cubbies, book boxes, or desks. The school corporation retains the right to inspect the cubbies, book boxes, or desks and contents to insure that cubbies, book boxes, or desks are being used in accordance with its intended purpose, and to eliminate fire or other hazards, maintain sanitary conditions, attempt to locate lost or stolen materials and to prevent use of the cubbies to store prohibited or dangerous materials such as weapons, illegal drugs or alcohol or any item which might be an interference with school purposes.

corporation level is Mrs. Tearsa Biernat, Human Resources and Mrs. Allisa Schnick, Assistant Superintendent.

Any student who makes a false charge of sexual harassment against another student or school employee in an attempt to demean, abuse, or embarrass that individual shall be subject to suspension and/or request for expulsion.

Sign In / Sign-Out Sheets are available in the main office. Parents should sign their child in if they are tardy, or if they return to school during the day. Only parents or legal guardians may authorize sign-out of their child, and only individuals on authorization list may sign-out a child. Parents/guardians or authorized individuals may be required to show picture ID to pick up a student.

Smoking Kankakee Valley Intermediate School is a smoke-free building. Smoking is not allowed anywhere in the building. This includes electronic cigarettes.

Special Education The American's with Disabilities Act (ADA.) and Section 504 of the Rehabilitation Act prohibit discrimination against persons with a disability in a program receiving Federal financial assistance. This protection applies not just to students, but all individuals who have access to the Corporation's programs and facilities. The law defines a person with a disability as anyone who:

1. has a mental or physical impairment that substantially limits one or more major life activities;
2. has a record of such as impairment; or
3. is regarded as having such impairment.

The corporation has specific responsibilities under these two laws which include identifying, reviewing and, if the child is determined to be eligible, affording access to appropriate educational accommodation.

Students are entitled to a free appropriate public education in the "least restrictive environment." The school provides a variety of special education programs for students identified as having a disability as defined by the Individuals with Disabilities Education Act (IDEA).

A student can access special education services only through proper evaluation and placement procedure. Parent involvement in this procedure is required. More importantly, the school encourages the parent to be an active participant. To inquire about this procedure, a parent should contact the school principal at 987-2027.

Students with disabilities who do not qualify for IDEA may be served within the regular education program with an accommodation plan developed through an interactive dialogue between the school, the student, and the student's parent(s). Parents who believe their child may have a disability that interferes substantially with the child's ability to function properly in school, should contact the school principal at 987-2027.

Special Health Problems The parents of children who have special health problems are asked to contact the school nurse at the beginning of each school year. We attempt to accommodate all children and their special needs.

Student Records - FERPA

Access to Student Records - Right to access - A parent of a student who

1. is less than eighteen years of age and not enrolled in a post-secondary institution, or
2. is a dependent student as defined by Section 152 of the Internal Revenue Code of 1954,

has a right to inspect and review such student records or any part thereof. A student has a right to inspect or review his or her records or any part thereof.

Manner of Exercising such Rights - The right to inspect records shall be exercised by presenting a written request to the office of the superintendent or designee. The request shall specify the specific records which the parent or student wish to inspect or examine. Such inspections shall be made during the regular office hours of the school at a time determined by mutual agreement by the school official and the parents or student. A school official shall be present during any such inspection to assist in the interpretation of the records.

Where the records requested include information concerning more than one student, the parents shall either receive for examination that part of the record pertaining to their child, or where this cannot be reasonably done, be informed of the contents of the part of the record pertaining to their child.

Correction of the Student Records Parents shall have an opportunity for a hearing to challenge the content of their child's education records to ensure that they are not inaccurate or misleading or otherwise in violation of the rights of privacy or constitutional rights of the child. If the parents believe that such records should be corrected or deleted, they shall advise the superintendent or designated representative, who shall provide an informal conference. In the event no agreement is reached, the parent shall have an opportunity for a hearing to correct or delete the record by filing a statement of the relief they request and a hearing shall be held thereon.

Release of Directory Information Directory information can be provided upon request to any individual, other than a for-profit organization, even without the written consent of a parent. Parents may refuse to allow the Board to disclose any or all "directory information" upon written notification to the Board. For further information about the items included within the category of directory information and instructions on how to prohibit its release you may view the Boards' annual Family Education Rights and Privacy Act (FERPA) notice.

Release to State or Local Agencies A school official may disclose educational records to a representative of a state or local juvenile justice agency to serve the student whose records are being released. The agency represented shall provide written notice that the agency will not disclose such information to a third party, unless it is another juvenile justice agency, without the consent of the child's parent, guardian, or custodian.

Parents may file a complaint with the U.S. Department of Education if the school district fails to comply with FERPA regulations. The entire text of the policy concerning Student Records (8330) may be found on the KVSC website.

Student Relations As a general rule, students are to keep hands to themselves. No pushing, shoving, no handholding, or other inappropriate touch.

Telephone Use by Students Students are not allowed to use the telephone for personal calls. Students are not allowed to call for books, assignments, or other materials which were left at home. Students may not receive telephone calls during the school day. The use of cell phones at school is prohibited.

Threats Students who threaten to harm self, others or threaten to damage or destroy property may be subject to expulsion from KVSC for a term of up to one year. Administration may require students who threaten to harm self, others, or threaten to damage or destroy property be examined by a licensed private psychologist or psychiatrist at the expense of the parent or guardian to determine appropriateness for either continued attendance or readmission to the KVSC. Students cannot make threats of violence against another student, child, or against any adult or school employee. Students will be held accountable, by policy, for inappropriate remarks. This policy is a three-level approach and is designed to be a serious yet common sense oriented plan. The three levels are:

- Level One—This is a threat made impulsively and a determination is made that no real threat is present.
- Level Two—This threat could possibly pose a slight threat.
- Level Three—In this case the investigator determines that the student is dangerous and is a threat to the school community

Tobacco, Alcohol, Drugs Students may not possess tobacco, tobacco products, electronic cigarettes, alcohol, or drugs.

- If a student does not report to car line right away, you may be asked to pull around the curb to wait while allowing the line to keep moving.

Bus Transportation

Students are limited to one bus route. Students shall be picked up and dropped off to one address. Due to the large number of students riding the buses, we do not transport students to other students' houses for parties or to have friends over. For childcare arrangements, we will only transport if there is room on the bus, if it fits within our district, and it fits within time schedules. Any requests must be approved in advance by the KVSC Transportation Department.

It is a **privilege not a right** to ride the school bus. Students riding the bus must obey the following rules:

1. Each pupil shall be seated immediately upon entering the bus in the place assigned by the driver.
2. No pupil shall stand or move from place to place while the bus is in motion.
3. Loud, boisterous, or profane language, or indecent conduct will not be tolerated.
4. Pupils shall not be allowed to tease, scuffle, trip, hold, hit or use their hands, feet, or body in any objectionable manner.
5. No windows or doors will be opened or closed except by permission of the bus driver.
6. No pupil shall enter or leave the bus until it has come to a complete stop and the door has been opened.
7. The child should be waiting at his boarding station when the school bus arrives.
8. Upon recommendation of the bus driver, school authorities will deny the privilege of riding the school bus to any pupil who does not obey these rules or refuses to conduct himself or herself in the proper manner.
9. If a student is not allowed to ride the bus, it is the **parent's responsibility to provide transportation** to and from school. If a student does not attend school, the absence is considered unexcused.

Students should **walk** to and from the bus and stay on the sidewalk and off the grass. Absolutely no horseplay in the bus loading zones. At dismissal, students should go directly to the bus, board the bus, and be seated.

Students are not allowed to go back into school after dismissal without teacher or principal approval.

If a student ever misses the bus, they should come to the office and should **NEVER WALK HOME**.

Bus drivers retain the authority to maintain an atmosphere conducive to the safety of all students. As such, bus drivers may issue warnings to students, require the writing of sentences, call parents to discuss proper behavior, and issue one day off of the bus. Bus drivers will report to the building principal students who do not follow the above rules. Parents are encouraged to contact bus drivers about information that will assist in the safe transportation of their child, such as pertinent medical information, etc.

Treats and Snacks to be consumed at school must be commercially prepared due to health and insurance regulations. This includes all birthday treats, special snacks, and food for classroom parties. Commercially prepared means that the food items have been packaged properly and purchased at a certified business such as a grocery store. Any homemade foods such as cookies, brownies, cupcakes, finger Jell-O, or other foods are not permitted. No colored fruit drinks or Kool-aid type drinks are allowed.

Vacations should be scheduled at times when school is not in session. The Pre-Planned Absence Form must be submitted to the principal at least five (5) days before the start of a planned absence. To be excused, a trip or vacation needs to meet criteria for being excused. Educational trips may be exempt while family vacations, for the most part, would not. Approval for vacation/educational trip requests will be evaluated by the following standards: previous attendance records, previous requests, academic performance and the educational value of the activity. Trips should be limited to one each school year and normally not exceed five school days in length. Trips which include days of mid-term/final examinations, achievement testing and State testing will not be approved. Although the absence may be deemed an exempt absence, it does count against perfect attendance and/or final exam exemptions. Please see the Pre-Planned Absence Form for further details.

Vandalism and intentional destruction of property whether school property or that belonging to another student is a serious offense. Students who disfigure or damage school property will be required to pay for the item, and may also be suspended from school. Students will aid in keeping the building and grounds neat and clean. Law enforcement officials may be notified concerning cases of vandalism.

Video Surveillance Personal information and activities recorded in the building and on school buses are used to maintain a safe and secure environment in schools and on district property and may be disclosed for law enforcement purposes. Video surveillance records are the property of Kankakee Valley School Corporation and are not open to public inspection.

Visitation We have a large number of students at our school and do not allow friends or relatives of our students to visit. The principal must approve all adult visitors such as parents, speakers, parent volunteers, etc., in advance. Visitors are expected to show valid, state issued identification upon entering the school.

Visitors and Volunteers The doors to our school are locked during the school day. Visitors must press a button on the right side or the main doors to alert office personnel. Visitors should identify themselves and should be prepared to offer a photo ID if requested by school personnel. All visitors to our school must check in at the office before going to classrooms, bus loading zone, or anywhere in the building. Office personnel will issue an office pass, and it should be given to the teacher or returned to the office upon leaving. All visitors are guests in the building and are expected to conduct themselves with the good of our students in mind and in conjunction with the purposes of the school. Offensive or profane language or behavior will not be tolerated. Volunteers are required to have a background check on file with the school office. Volunteers are expected to maintain confidentiality at all time and cooperate with the directions of school staff.

Weapons No student shall bring a weapon on to school property, nor carry or keep any weapons on school property or while attending or participating in any school activity including during transportation to or from school or any activity. For purposes of this policy, a weapon is any ammunition, knife, explosive, or other object that has a potentially violent use. Toy weapons or look-alike weapons are not to be brought to school. A student in violation of this policy may be suspended and/or processed for expulsion.

What You Can Do to Help Your Child Succeed

1. Start each day right; a calm beginning at home makes the whole day much better.
2. Encourage your child to eat a good breakfast and lunch. Make certain your child sleeps the right amount of time (usually at least 8 hours).

3. Have a special place to put your child's schoolwork when it is brought home. Praise your child each day for something he/she has done.
4. Laugh and talk with your child about school experiences, and listen attentively to what your child says.
5. **Stress attendance.** If the child is ill, home in bed is the best place. Otherwise your child needs to take advantage of every school day.
6. Keep the lines of communication open between you and your child's teacher.
7. Take your child to the library and encourage reading for pleasure.
8. Stress organization of books and materials. Pack the book bag the night before.

11. Support the school and your child's teacher.
