

PTO Donations and Company Matching

Did you know that many employers will match your donation to the EAS PTO? We encourage you to find out if your employer offers this benefit, and if so, use it to double your impact! Some of the local employers that offer this benefit are:

- Microsoft
- Google
- Boeing
- Costco
- T-Mobile
- Starbucks
- IBM
- The Home Depot

...but there are many more and the best way is to reach out to your HR department and simply ask. If you have any issues setting up your account in your company's matching platform, please reach out to PTO's treasurer at treasurer@easpto.org.
