1. Guidelines

Requests for participation in interstate, national or regional tournaments, festivals, exhibitions or other types of multiple school competitions, as well as such contests for individual students representing the school should be submitted to the Administrative Director or appropriate personnel designated by the Administrative Director. The Administrative Director shall refer the request to the Joint Operating Committee for approval.

This participation shall grow out of a broad program of involvement for all students and shall be regarded in its proper perspective as one of several worthwhile types of educational experiences. The loss of class time for preparation and for competition shall be kept to a minimum.

Students whose academic, technical, and/or disciplinary achievement/obligations have not been met shall not represent the school as determined by the Administrative Director or appropriate personnel designated by the Administrative Director.
