

Dear WRVS Families,

Middle school scholars were fortunate to enjoy some winter activities Wednesday afternoon. The snowshoeing was a success as was the skiing and boarding at NES. Again, the weather has put a pause on our Friday Winter Activity Program; we'll hope for better weather next week.

Thank you to everyone who joined the Community Outreach conversation last evening. We'll let you know when the next one will be held.

We're very excited about the River of Light Lantern Walk next week. Look for an email with more information on Monday.

Our 8th grade scholars played their last home game as a Wildcat earlier this week. It was fun to see their excitement as they were recognized and presented with flowers and a basketball. Please plan to attend the annual parents vs. coaches game next Friday night. It's a great way to wrap up another great season! **Please have your child bring their basketball uniform to school on Monday.**

Our school calendar indicates Friday, March 17 is an in-service day for staff and no school for scholars. In order to make up for the snow day in December, scholars will now have a half day of school on Friday, March 17 with dismissal at 11:45. Please remember there is no school for Kindergarten scholars on Thursday, March 16 and Friday, March 17.

Have a good weekend,
Carlotta Perantoni

SUNDAY

NEW THIS YEAR...

There will be an Equipment Swap set up in the gym on Sunday during the registration. Bring your cleats and glove you no longer use in exchange for equipment you can use!

Next Week...Tuesday, 2.22.23 The River of Light Lantern Walk!

The 3rd Annual River of Light at WRVS will be held on February 22, 2023. It is a celebration of kindness and peace for our community. Many communities around the world gather together in solidarity and parade with light to celebrate this human quality that is so important to the well-being of us all.

The Lantern Walk will begin at 6:00PM. Scholars, families, and community members, please plan to arrive at WRVS by 5:30PM. Please note the parking lot will be closed at 5:45 so we can safely begin our parade at 6:00pm.

Each scholar is participating in creating a lantern. K-2 scholars are building a half-sphere lantern with papier mache, 3-5 scholars are making rectangular prisms with parchment paper and watercolors, and 6-8 scholars are constructing spheres with reed and papier mache, as well as some of their own 3D sculptural lanterns designs.

Families and community members are invited to create a lantern using one of the methods listed above.
