

Year 8 - all classes

These independent learning tasks should be completed by 31.03.23. All completed tasks will be rewarded with positive points.

Reading
Pupils should spend 20 minutes, 4 times a week reading for pleasure. This can be a novel, magazine or any reading material that pupils enjoy.

Mathematics and numeracy	English, literacy and communication	Science and technology	Caru dysgu: Humanities
Independent learning tasks are on Google Classroom.	Complete the National World Book Day competition to create a National Book token voucher - Competition sheets can be collected from your English teacher	Research hardwoods and softwoods. Give examples of each and what they are used for. What properties do each have? How do they differ from one another?	Using the Census information, create a piece of work to represent the diversity of our local or national community.
Caru dysgu: Expressive arts	Well-being	Languages: Welsh	Languages: Spanish
Create an observational drawing of the view from a window in your house or the view from a local walk. You should look for a view that gives you a good landscape. Paper is available from your EA teacher.	Create an job profile on a profession within the health and well-being field. Explore the skills, qualities and qualifications they will need and the impact their role has on the lives of others.	We have just celebrated Eisteddfod, research other welsh traditions, think about how you celebrate being Welsh? What does being patriotic mean? Create a Google slide or poster.	We will be using the imperfect tense to describe environmental problems in the past. To help with ideas, research what the environment was like in Wales 50 years ago. Research what food we used to grow/eat, what fuels we used to use, what transport we used to use etc. You can create a slides presentation, a Google doc or complete on paper.
