

These independent learning tasks should be completed by 31/3/23. All completed tasks will be rewarded with positive points.

Reading

Pupils in years 4 to 6 follow the Reading Eggs programme and should be completing this 5 times a week for 20 minutes, working through the levels and maps, along with completing the weekly assignments set by their teacher. Pupils should access the library area of the programme in addition to this and read a variety of books. Please contact your child's teacher if you need a reminder of your child's login details.

Mathematics and numeracy	English, literacy and communication	Science and technology	Caru dysgu: Humanities
<p>Visit the 'Topmarks' site. Consolidate your learning. Make a list of the games you played and give them to your teacher. You can explain the games to your teacher.</p> <p>Key Stage 2 - Topmarks Search</p>	<p>Create a Year 4 video promoting YNG Year 4 to possible new students, persuading them to join our school. Comment on what the school is like, what you learn in class, the teachers, the children, after school clubs, special events etc. Record your speech and send out on classrooms or send by email.</p>	<p>This term we will be finding out about medicine and parts of the body .Your task is to make a 3D model of a heart. I have given you all a copy of a heart that you can make or you could make your own model out of card or clay. If you do not want to make a model you can find out information about the heart and make a factfile.</p>	<p>To match our theme discovery - produce a google slide/ power point about the most famous Egyptian discovery of modern times - Tutankhamun. You will need to include what was found in his tomb, information about the Pharaoh and how and who discovered this amazing find.</p>
