August 24, 2020

Good Evening Canner Students, Parents, and Guardians!

This is Wesley Doll, Superintendent of the Upper Adams School District. Wednesday, August 26, 2020 is the first day of school. We look forward to reopening our schools safely with your assistance. Keeping our entire school community as safe as possible will take a community effort in the weeks and months to come.

Thank you for your willingness to be part of the solution because it will take each of us to safely keep our District open. It is critical that parents/guardians check children for sickness and keep sick children at home. A screening checklist is posted on our district webpage at www.upperadams.org. As a reminder, all students, faculty, and staff members are required to wear a mask/shield on our district buses, prior to entering our District buildings, and in our District buildings.

In addition to the District resources on our district webpage, such as our detailed district calendar, specific building and classroom level communications will come from your child's building principal and/or classroom teacher(s). If you have specific questions, please contact your child's building principal for guidance.

We look forward to a successful school year. Thank you again for your help as we work together during a new school year. Best wishes to our students and have a great evening!
