Ballard Construction Company for design work for Princess Anne High School, B.F. Williams/Bayside 6th, and Bayside High School as approved on August 9, 2022.

Background Summary:

On August 9, 2022, the School Board approved a Resolution to enter into a Proposed Interim Agreement for design work for Princess Anne High School, B.F. Williams/Bayside 6th, and Bayside High School. The Interim Agreement resulted from a Public-Private Education Facilities and Infrastructure (PPEA) unsolicited proposal from S. B. Ballad Construction Company. School Board Policy 3-71 allows the School Board to consider unsolicited proposals and solicited competing conceptual proposals for qualifying projects under the PPEA. The School Board was informed of the unsolicited proposal by the Superintendent and, after multiple briefings from the School Administration and a public hearing on June 28, 2022, the School Board approved the Proposed Interim Agreement to complete advance design of the projects at Princess Anne High School, B.F. Williams/Bayside 6th, and Bayside High School. If approved, this Interim Agreement will be in effective for twelve months and has a not-to-exceed cost of \$15,404.544.

Pursuant to School Board Policy 3-71 (F), the Resolution and the Proposed Interim Agreement were sent to the City Council for approval for the School Board to enter into the Proposed Interim Agreement. The Superintendent and staff have briefed the City Council on multiple occasions since August 2022 regarding the Proposed Interim Agreement. On February 21, 2023, the City Council requested that the School Board again take action to confirm that the School Board is requesting that the City Council approve the School Board to enter into the Proposed Interim Agreement.

STUDENTS

Awards for Achievement/Class Rank/Honor Designations

A. Generally

The School Board approves of awards for students who achieve high academic standing, outstanding citizenship, physical expertise and other characteristics that contribute to good citizenship. The School Board, however, does not approve of giving awards to students where the basic purpose is obviously commercialism. Awards donated by non-school agencies which are recognized nationally and approved by the Superintendent or designee or the School Board may be awarded to students at appropriate ceremonies and times.

B. Honor Rolls

Students should be encouraged to reach their maximum potential in academic programs. Students who do outstanding work shall be recognized through an honor roll system.

C. Awards for Exemplary Performance

- 1. Students who complete the requirements for a Standard Diploma or Advanced Studies Diploma with a grade average of 4.0 or better in the required courses will receive a Board of Education seal on the diploma.
- 2. Students who complete the requirements for an Advanced Studies Diploma with a grade point average of 3.0 or better and successfully complete college-level coursework that will earn the student at least nine transferable college credits in Advanced Placement (AP), International Baccalaureate (IB), Cambridge, or dual enrollment courses will receive a Governor's seal on the diploma.
- 3. Students may receive other seals or awards for exceptional academic, vocational, citizenship, or other exemplary performance in accordance with criteria defined by the School Board or the Virginia Board of Education.

D. Honor Designations

Beginning with the 9th grade cohort of students (Class of 2022) entering high school in the fall of 2018, Class Rank will no longer be reported on a student's transcript or published by the school. Each high school will be provided with a percentile rating of Grade Point Averages for class rank for individual colleges, universities, scholarships or military applications that require this information or that is requested by a parent/legal guardian or adult student. The principal or school designee shall also provide colleges and universities

with an explanation of the Latin Honors system through the Virginia Beach City Public Schools transcript profile.

- 1. A student's grade point average will be computed for the following purposes:
 - a. To determine honor designations.
 - b. To determine if the student is eligible for certain diploma seals awarded by the Virginia Board of Education.
 - To communicate to college admission offices and other agencies designated by the adult student and/or parent/legal guardian of a minor student.

Recommendation:

That the School Board approve a resolution recognizing March 2023 as National Woman's History Month. The Women's History Month theme for 2023 is "Celebrating Women Who Tell Our Stories." This theme is "both a tribute to the ceaseless work of caregivers and frontline workers during this ongoing pandemic and also a recognition of the thousands of ways that women of all cultures have provided both healing and hope throughout history."

Background Summary:

Throughout 2023, the National Women's History Alliance (NWHA) will encourage recognition of women, past and present, who have been active in all forms of media and storytelling including print, radio, TV, stage, screen, blogs, podcasts, and more. The timely theme honors women in every community who have devoted their lives and talents to producing art, pursuing truth, and reflecting the human condition decade after decade. From the earliest storytellers through pioneering journalists, our experiences have been captured by a wide variety of artists and teachers. These include authors, songwriters, scholars, playwrights, performers, and grandmothers throughout time. Women have long been instrumental in passing on our heritage in word and in print to communicate the lessons of those who came before us. Women's stories, and the larger human story, expand our understanding and strengthen our connections with each other.

As in previous years, the Alliance, which is centered in Santa Rosa, California, will encourage local communities throughout the country to use the year's theme to guide their own celebrations. The NWHA will popularize national efforts through online celebrations, a special magazine, and thematic products that recognize and honor these brave, accomplished, and influential women who told – and continue to tell – our stories. Today and over the years ahead, their dedication and shared desire to give voice to the voiceless are critical to keeping us informed, entertained, and aware.

Background Summary:

National School Social Work Week, sponsored by the School Social Work Association of America (SSWAA), is celebrated from March 5-11, 2023, to focus public attention on the unique contribution of school social workers within U.S. school systems and in Virginia Beach City Public Schools. National School Social Work Week highlights the tremendous impact school social workers can have in helping to reduce environmental barriers to learning.

This special week provides recognition for school social workers as a vital part of the educational process for the most vulnerable students as they meet the challenges of the 21st century. School social workers are critical to providing students with strong social and emotional supports and skills, as well as identifying students early who have mental health and behavioral needs. The ultimate goal is to keep our students and their families engaged in the educational process.

School social workers are certified, experienced practitioners with a master's degree in social work. The combination of their training and experience make them an integral part of the total instructional program. The School Social Work Association of America has chosen "We Rise" as its theme for this year. SSWAA believes that School Social Workers rise to share hope. They rise to listen and understand. They rise to challenge inequities. They rise to support all students.

items but will instead be directed to leave items with the Clerk or designee for the School Board to consider after the Meeting.
