ARTICLE 5 SENIORITY

- A. New employees hired in a permanent position other than substitutes and temporary help shall be considered as probationary employees for one hundred and forty (140) calendar days in their job assignment. The dates between the last day of school each spring, and the first day of school the following fall, are expressly excluded as counting for credit toward satisfying one hundred and forty (140) calendar days probationary period. Positions that also entail summer work days will be counted toward the probationary period.

A temporary employee is defined as an employee who provides services when help is required and said job assignment or position is not of a permanent nature. A temporary position shall not exceed six (6) months unless extended by mutual agreement by the Employer and the Association President. There shall be no seniority among probationary or temporary employees.

When a permanent employee has successfully completed the probationary period, said employee shall be entered on the seniority list and shall rank for seniority based on his/her hire date as a permanent paraeducator.

The Association President and/or designee(s) will be notified, via a copy of the off-probation Notice of Adjustment, of the date that employees completed their probationary periods.

- B. Seniority will be calculated as years of service since employed in a regular Paraeducator position.
- C. The Association shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment as set forth in this Agreement, except that the Employer will have the right to discharge and take disciplinary action involving a probationary employee without a grievance being filed or processed.
- D. Probationary employees shall be eligible for fringe benefits (i.e., sick days, vacation pay, approved leave, inclement weather, dental, vision, life) provided for in the Agreement upon successful completion of ninety (90) calendar days. Employees eligible for health care benefits, shall be eligible for benefits in accordance with the Affordable Care Act (ACA), which currently is 90 calendar days after they begin employment. Such time period shall be in accordance with the ACA.
- E. When more than one (1) employee is employed on the same day, seniority will be determined by the last four digits of the social security number (0000 is the highest seniority).
- F. A seniority employee shall lose seniority and terminate employment with the Board/Employer for the following reasons:
1. Employee quits.
 2. Employee is discharged and the discharge is not reversed.
 3. Employee is absent for three (3) working days without notifying the Employer.
 4. The employee fails to return to work when recalled from layoff as set forth in the recall procedure provided herein, unless an extension has been granted.

5. The employee overstays by three (3) days a leave granted for any reason, as hereinafter provided, unless an extension has been granted.
 6. Involuntary layoff for two (2) years or length of service, whichever is shorter.
 7. Retirement at any age.
 8. The employee gives a false reason for a leave of absence or engages in other employment during said leave, employee will automatically be terminated unless permission to the contrary is granted.
 9. The employee falsified information on the application for employment even if the falsification may come to light sometime after the employee's date of hire or date of acquiring seniority, said employee will automatically be subject to discharge.
- G. If an employee takes a position not included in the bargaining unit and is thereafter reassigned to an open position within the bargaining unit, said employee shall have only the seniority accumulated while working in the bargaining unit position.
- H. Notwithstanding their position on the seniority list, the Association President, in the event of layoff of any type will continue to work as long as there is a job in their bargaining unit/classification which they are qualified for and can perform and shall be recalled to work in the event of a layoff on the first open job in their classification for which they are qualified and can perform.
- I. A signing bonus of \$250 dollars will be paid to all new employees hired after August 1, 2021 once successfully completing ninety (90) calendar days of the probationary period.
- J. The district will reimburse new hires (after August 1, 2021) who served as long-term substitutes, the cost of the ETS Parapro Assessment, if hired and successfully complete the probationary period.
- K. The district will reimburse new hires (after November 14th, 2022) on their first pay cycle for the cost of the required Live Scan Fingerprints. A copy of the original receipt must be presented to the Human Resource Department at the time of hire for payment to be processed. Any employee who terminates or resigns prior to completing their 140-day probation period may be responsible to repay the reimbursed cost.

ARTICLE 6 VACANCIES, PROMOTIONS AND TRANSFERS

- A. Permanent vacancies that occur within the bargaining unit will be posted with qualifications for a full three (3) business days. The Association President will have copies of each posted vacancy sent to her/him at her/his e-mail address.

All Bargaining Unit members will apply online through the district's application system for all job positions. All eligible and qualified applicants will be afforded the opportunity to be interviewed before external applicants.

When there is a vacancy within the bargaining unit, the job shall be filled by the procedures outlined below:

1. Displaced Paraeducator into a classification for which they are qualified in seniority order.
 2. Transfer to a position within the same classification for which they are qualified.
 3. Employees laid off within the job classification or a higher classification shall be recalled to a position for which they are qualified. Employees moved to a lower classification by layoff shall be able to return if they are qualified.
 4. Promotion within the bargaining unit.
- B. A transfer is a lateral change within a job classification where there is no addition or increase in compensation. For example, a movement to another building or to another job within the salary classification falls into the definition of a transfer.
- C. All promotions and transfers will be made with equal consideration to paraeducator seniority, qualifications, skills, experience, education, training, performance, and attendance.
- D. Employees who request and are granted transfers shall remain on the job during that school year before they will become eligible to request another transfer. Exceptions to this rule may be made by the employer after reviewing the request with the Association.
- E. A promotion is a movement to a position in the bargaining unit in a higher pay grade than one which the employee is currently employed. Promotions are not meant to include the taking on of additional duties within the same job classification or work involving overtime.
- F. Employees placed in a new position, by promotion or transfer, shall be required to satisfactorily complete a forty (40) working day trial period from the date of employment in the new position. The selection for any position rests with the Employer in accordance with this Article. The forty (40) day trial period shall be automatically extended for any absences during that period by the amount of said absence(s).

Paraeducators transferred to a new assignment category will complete required training sessions outside of the contractual workday, if necessary. If training is outside of the contractual work day, said payment will be made at the regular hourly rate.

- G. During the forty (40) working day trial period, when the employee has been promoted or transferred, the employee shall have the opportunity to revert back to his/her former position for up to five (5) working days. A letter of explanation shall be submitted to the Employer. If,

at any time during the forty (40) working day trial period, the Administrator feels that the initial timeframe of forty (40) working days is not adequate to effectively evaluate the progress or performance of an employee, the trial period may be automatically extended for an additional thirty (30) working days.

If, at any time during the initial trial period or the extended trial period, the Employer believes the employee is not progressing, or it appears that the employee is not able to satisfactorily perform the job, such employee shall be in the order set forth below:

1. Returned to his/her former position, if available, and not held by a member of higher seniority.
2. Placed in an existing vacant position of his/her former classification, for which the employee is qualified.
3. Placed in a position of same or lower classification (may be less hours) which is currently held by the least senior member of the association, thus displacing the lowest seniority member.
4. Placed on voluntary layoff, at the request of the member. By requesting to be placed on voluntary layoff, the member understands the conditions of Hours of Work Article.

Notice of any and all above action(s) shall be submitted to the Association President, in writing, with a copy to the employee. If the position has been eliminated, the employee shall be returned to his/her former classification. The employee returned to his/her former position/classification shall retain salary and seniority previously enjoyed before the promotion.

- H. Employees who are promoted during their probationary period shall be considered to have satisfactorily completed the probationary period in the classification from which they had been promoted.
- I. Employees temporarily transferred to a lower classification shall be paid at their regular rate. Employees performing work of a higher classification shall be paid at the rate of the higher classification in line with current step level for all hours worked in the higher classification.
- J. Job descriptions listing the qualifications and testing requirements, if any, shall be on file in the Department of Human Resources and can be provided upon request.
- K.
 1. If there is a temporary opening, the Employer shall offer such district-wide who is available for the hours in addition to his/her regular schedule.
 2. Employees on layoff who are willing to work will be called first prior to the hiring of substitutes.
 3. Temporary hours added to a current employee's assignment will not result in a change in current benefit eligibility status.
 4. Temporary vacancies of sixty (60) calendar days or more in Instructional General Education/Instructional Special Education positions will be posted district-wide. The position will be filled according to the provisions of this article. The Employer may fill the resulting opening in accordance with the guidelines specified above for filling temporary vacancies or then use a substitute employee. An employee who fills a temporary vacancy shall be returned to his/her former position, or if it has

been eliminated, shall be returned to the former classification at the conclusion of the temporary opening. Temporary vacancies shall not exceed one year.

- L. Members interested in promotions or transfers will comply with any and all of the directions of the notice of vacancy.
- M. As stated under the Elementary and Secondary Education Act, it is recognized that properly trained paraeducators can play important roles in student achievement. Therefore, all Paraeducators who hold an assignment classified as instructional, must meet one of the following requirements:
 1. Complete two (2) years of study at an institution of higher education.
 2. Obtain an associate's (or higher) degree.
 3. Meet a rigorous standard of quality and be able to demonstrate through a formal state academic assessment (Work-Keys, for example), knowledge of and the ability to assist in instructing reading, writing, and mathematics; or knowledge of and the ability to assist in, instructing reading readiness, writing readiness, and mathematics readiness, as appropriate.

Paraeducators who are placed in an instructional support capacity and funded by Federal grant funds will be expected to demonstrate competency in any unique credential required for paraeducator support as outlined in the grant or job description, above and beyond the above-defined academic credentials outlined above for all instructional paraeducators.

ARTICLE 7 EMPLOYEE EVALUATION

- A. It is understood that the ultimate decision with respect to evaluation is the exclusive prerogative of the Board, except as restricted by this Agreement.
- B. The evaluation shall be prepared and signed by the building or program administrator. The administrator may seek input to the evaluation content from staff to whom the employee is assigned.
- C. Following each formal evaluation, which shall include a conference with the evaluator, the employee shall sign and be given a copy of the evaluation report prepared by the evaluator. In no case will the member's signature be construed to mean that he/she necessarily agrees with the contents of the evaluation. All written evaluations are to be placed in the member's personnel file.
- D. All evaluations shall be on the approved form with standards for evaluation enumerated in all areas to be evaluated. An evaluation of needs improvement or unsatisfactory by the immediate supervisor shall require justification and substantiation, together with a performance improvement plan. The performance improvement plan will be developed containing expectations in outcomes, suggested improvement and timelines for follow-up and progress review as well as consequences, if performance does not improve as required by the performance improvement plan. The performance improvement plan will be developed with input from the employee. The Association President will be notified of any paraeducator in this category.
- E. PROCEDURE:
 - 1. Probationary members shall be formally evaluated at least once during the probationary period. The immediate supervisor shall confer with the member and provide the member with a copy of the evaluation.
 - 2. Seniority employees shall be evaluated formally, at least once every two (2) years.
 - 3. In the absence of a required bi-annual evaluation, the employee will be considered effective.
- F. The original copy of the evaluation shall be signed by the member. The employee may disagree with any portion of the evaluation and state, in writing, the reason(s) for the disagreement within ten (10) working days. The written statement of disagreement will be attached to the evaluation.
- G. The contents of the evaluation are not subject to the grievance procedure.
- H. If either party desires to change the evaluation form, then representatives of the parties will meet to mutually agree on any revisions or changes.

ARTICLE 8 DISCIPLINE AND DISCHARGE

- A. The Employer shall not discipline, suspend, or discharge any employee without just cause. The Employer agrees upon the suspension or discharge of a seniority employee to notify, in writing, the Association President/Representative of the suspension or discharge.
- B. The Employer agrees to provide informal discussion to an employee prior to implementing formal discipline. Such discipline shall be corrective and progressive.
- C. The suspended or discharged employee will be allowed to discuss his/her discharge with the Association President/Representative and the supervisor. The supervisor will make available an area where he/she may do so before he/she is required to leave the property of the Employer.
- D. A suspension or discharge may be referred to the grievance procedure commencing at Level Three (3) within five (5) working days of the disciplinary action.
- E. All concerns and complaints regarding any suspension or discharge of seniority employees must be processed as identified above; otherwise, the parties will forfeit any further review of their case.
- F. Employees shall have the right to Association representation at all levels of the disciplinary process.
- G. The normal corrective discipline procedures are progressive in nature and would follow the listing below:
 - 1. Oral reprimand
 - 2. Written reprimand(s)
 - 3. Suspension(s)
 - 4. Termination

A process of progressive discipline will be followed however, the disciplinary action may commence at a higher step, appropriate to the behavior which precipitated said action.

ARTICLE 9 RESIGNATION

- A. When an employee desires to terminate his/her employment, including retirement, there must be at least ten (10) working days' notice of resignation, in writing, given to the immediate supervisor and the Department of Human Resources. Resignations of shorter notice shall automatically forfeit all Rochester Community Schools benefits, except if the resignation is of an emergency nature (such as sickness in the family, death, etc.). It is understood that the employee must work the entire period of time as designated above with no absences during said period. The exception to this requirement applies when over the summer break, an employee decides to terminate his/her employment, therefore not in a position to provide at least ten (10) working days' notice of resignation. If the employee submits his/her notice of resignation by August 1, then the forfeiture provision shall not apply with respect to benefits.
- B. Upon receipt of the notice of resignation or retirement by the Department of Human Resources the notice is irrevocable. The date of resignation automatically forfeits all accrued rights and benefits. In the event of re-employment, such employee shall be considered as a new employee.
- C. Resignations submitted with ten (10) or more working days advance notice shall be entitled to pro-rated benefits. All final payroll payouts will be adjusted for any outstanding Rochester Community Schools negative balances the employee may have incurred.
- D. Exception to the above may be made by the Superintendent/designee.
- E. The Human Resources Office will notify the Association President of all resignations

ARTICLE 10 LAYOFF AND RECALL

- A. Layoff means a reduction in the working force due to a decrease of work or limitation or reduction in operating funds, or reduction of students in a class, school or subject area, or any other conditions beyond the control of the Board/Employer.
- B. If it becomes necessary for a layoff, the probationary employees within the affected classification will be laid off first. Seniority employees will be laid-off in the affected classification according to inverse seniority.

Any seniority employee laid off will be placed into another position or classification, if the laid off employee meets the minimum qualifications of that position, e.g. NCLB qualifications, Bilingual or E.L.L. language requirements, certified to support the visually impaired, etc.

All laid off employees will be placed by seniority into a position that will be as close as possible to the type of position, hours, and wages the employee held prior to layoff. A position of six (6) hours or more shall be considered an equivalent position for the purpose of bumping and placement.

Before any transfer or layoff letters are mailed to affected employees, the Board will meet with the Association to review the implementation of this Article.

The intent of this Layoff and Recall Article is to keep the most senior employees placed in positions for which they are qualified.

- C. Layoffs will be based upon seniority as defined in the Seniority Article according to their classification on a district-wide basis.

At the start of each school year, when all paraeducator positions are being filled, any seniority employee(s) on layoff shall replace the lesser seniority employee(s). If there are no positions available, the lesser seniority employee(s) shall be on layoff until they are recalled.

- D. Employees being laid-off through the procedure as stated in this Article shall be maintained on a recall list for a period of two (2) years and shall be recalled in reverse order of their layoffs.
- E. Notice of recall shall be sent to the employee at his/her last known address by registered or certified mail. If an employee fails to report for work within seven (7) calendar days from the date of mailing of recall notice, said employee shall be considered as having quit.
- F. Each employee is responsible for keeping the Employer advised, in writing, of any change of address and will not be excused for failure to report for work on recall if employee fails to receive recall notice because of his/her own failure to advise the Employer, in writing, of his/her change of address.
- G. The Employer shall have no obligation to recall probationary employees who may be laid-off.

- H. It is clearly understood that any individual laid-off shall automatically terminate and suspend the Employer's obligation to salary or fringe benefits under this collective bargaining agreement or any other agreement.
- I. Should an employee who is laid off (not through a reduction in hours) be offered any position with comparable hours and rate of pay, for which they are qualified and refuse such appointment, the employee will lose the right to remain on the seniority recall list and shall be considered as having quit.

Should an employee who is laid off as a result of a reduction of hours, under Article 11. A. Hours of Work, be offered and refuse a position with comparable hours and rate of pay for which they are qualified, the employee will lose the right to remain on the seniority recall list and shall remain in their current classification.

- J. Any employee who assumes a new job assignment due to the layoff procedure will also assume the salary rate for that position.
- K. Employees to be laid-off will have at least fourteen (14) calendar days' notice, in writing, of their intended layoff. The President shall receive a list of the employees being laid-off.
- L. When full-time employees' hours are reduced making them part-time, but not laid off from employment (layoff and recall list), they will be offered the opportunity to apply for full-time positions, along with any current full-time employees within the bargaining unit.

If the position has not been filled in this manner, the same position will be re-posted allowing application by part-time employees (not on the recall list).

If there are no reduced full-time employees, the postings will be made available to all employees of the bargaining unit in accordance with Article 6 Vacancies, Promotions and Transfers.

ARTICLE 11 HOURS OF WORK

- A. The hours of work will be determined by the Employer. If a Paraeducator position is reduced by hours of work, this shall be considered a reduction and the employee shall have the rights covered under the Layoff and Recall Article.
- B. The lunch period shall be established by the immediate supervisor for employees in accordance with the organizational pattern best suited to the particular building and/or department. Such lunch period will not be considered as part of the regularly assigned work day. Employees working six (6) or more hours shall have a thirty (30) minute, unpaid lunch period scheduled away from the assigned work area each day. Employees working (5) hours but less than six (6) hours shall have a minimum of thirty (30) minute and maximum of forty-five (45) minute unpaid lunch period scheduled away from the assigned work area each day. For positions less than five (5) hours, an unpaid lunch period may be assigned, however, should this be the case, the position will be posted as such.
- C. It is expected that from time to time, employees may need to spend extra time beyond the regular day to attend meetings or in-service scheduled by the administrator/designee. Employees will be compensated for such time at the appropriate hourly rate.
- D. Time and one-half shall be paid for all time worked over eight (8) hours per day and forty (40) hours per week only when approved in writing by the immediate supervisor.
- E. It is recognized and understood that deviations from the foregoing regular schedules of work will be necessary and will unavoidably result from several causes such as, but not limited to, rotation of shifts, vacation, leaves of absences, absenteeism, employee request, temporary shortage of personnel and emergencies.
- F. During inclement weather and from Thanksgiving through Spring Break, there shall be a scheduled five minute interval between outdoor recess assignments. Recess will be scheduled for inside or outside in accordance with the Board of Education's policies and Administrative Regulations on inclement weather days.
- G.
 - 1. All paraeducators will work when students attend school.
 - 2. Instructional/Special Education paraeducators will have the opportunity to work the REA In-District scheduled workdays prior to the start of the student calendar. These days may be designated as optional or required and as Professional Development (PD), Work, or a combination of PD/Work. This designation will be determined by the district.
 - 3. On non-student days, when paraeducators are required (or optional work day) to work, a full-day is six (6) hours and a half-day is three (3) hours. On half student days, paraeducators will work their regularly schedule hours.
 - 4. Instructional/Special Education paraeducators will be scheduled to work when students attend school. In addition, Instructional/Special Education paraeducators are

required to work on one (1) non-school day in whole or in half day increments for purposes of professional development and/or other work in the building/district and may choose to work no more than four (4) optional days (if they are available in the calendar) when students are not attending school. The dates will be listed on the "RCS YEAR AT A GLANCE – PARAEDUCATOR WORKDAY CALENDAR" which will be provided prior to the last day of the school year for the upcoming year, if possible.

The one (1) required day and four (4) optional days may be designated Professional Development (PD) or Work, or a combination of PD/Work, and this designation will be determined by the district. If the required or optional day is determined to be for paraeducator Professional Development, all or in part, paraeducators must attend professional development sessions for the time determined by the district. On days when paraeducators are required to attend professional development, they will only be allowed to work in the buildings, if time remains outside the professional development activity for the balance of their daily schedule. Working in the building during a paraeducator professional development, whether required or optional, will not be permitted.

At least ten (10) days prior to the scheduled required or optional day, Human Resources will provide notification as to how the day will be designated. The notification will be provided via School Messenger or a similar group broadcast message.

To be eligible to attend Professional Development and/or work in the buildings on any scheduled Optional day, the paraeducator must provide notification of his/her intent to work utilizing the following procedures

- The notice to attend PD/work must be submitted in writing to the immediate supervisor/supervising teacher with a copy to the principal.
 - The notice must be filed three work days in advance of the requested Optional day.
 - For designated work days, the immediate supervisor, supervising teacher or building or program administrator, will schedule the work to be done. If it is determined that the immediate supervisor or building or program administrator does not have work to assign, the employee may be asked to report to a different location where there is work to complete.
 - Time worked must be documented and submitted to the building/program administrator and/or principal for approval.
 - If designated as a whole day, the employee must work their normal work hours, if a half school day, the time equivalent to their normal work hours. If it is designated as a half-day with no students, the half day will be considered 3 hours.
5. All paraeducators shall be paid their regular day's salary when reporting for an assigned work day. When school is closed due to adverse weather conditions or any other condition, paraeducators will not be expected to report to work but shall be paid for a full work day with no deductions from their sick bank. In the event such a school day is rescheduled, paraeducators will work the rescheduled day without pay because they were previously paid for the work day. If an employee does not work, the snow day will be deducted from the employee's paycheck. Sick days cannot be used for these make-up days.

6. Paraeducators who require training on medical procedures will be provided training as appropriate. Documentation of training will be kept by the district. The employer will indemnify and save harmless from any liability, members properly administering medication or procedures to students.

- H. Paraeducators will be eligible for paid relief periods under the following conditions: The relief period will be scheduled with their immediate supervisor. Break periods will be included in the daily schedule for the paraeducator's overall assignment. Exception to creation of a formal break schedule may only be granted by the Chief Human Resource Officer or his/her designee. Paraeducators whose total schedule hours/day is 6.0 hours or more will receive two, fifteen (15) minute, paid, non-duty breaks. Paraeducators whose total scheduled hours/day is less than 6.0, but greater than 3.25 hours/day, will receive one, fifteen (15) minute, paid, non-duty break.

- I. The President/Designee will be provided with the number of work hours (instructional and non-instructional) of each member within thirty (30) days of the start of the school year.

- J. If necessary, with pre-approval, paraeducators will be allowed up to one additional hour per month for Medicaid billing responsibilities. This time will be tracked utilizing the time exception log.

ARTICLE 12 UNPAID LEAVE OF ABSENCE

- A. General leaves of absence for reasonable periods not to exceed one (1) year, upon written request to the Superintendent or his/her designee, may be granted to employees for good cause; such leave may be canceled if the employee is employed during the leave. General leaves of absence may be extended for a period not to exceed one (1) year at the discretion of the Superintendent or his/her designee. (The Association President shall be notified, in writing, when an employee has been granted a leave of absence.)
- B. An employee granted a leave of absence by the Employer of more than six (6) months may be given a position upon his/her return provided there is an opening in his/her job classification and job assignment (the position held immediately prior to the granted leave), and he/she has given proper notice. An employee on a leave of absence equal to or less than sixty (60) working days will be returned to her/his regular position if it is available. If not available, the employee will be returned to a comparable position. However, no employee will be laid off, or have their hours reduced to return an employee on leave of absence in excess of sixty (60) working days.
- C. An employee on a leave greater than three (3) months is required to notify the Department of Human Resources, in writing, at least fifteen (15) days preceding the expiration date of a leave indicating his/her desire to return, request an extension, or resign.

An employee on a leave of absence of three (3) months or less will be required to submit only a seven (7) work day written notice. An employee must make application for reinstatement within the time limit specified and if the employee does not provide such notice, he/she shall be deemed to have terminated his/her employment with the Rochester Community Schools unless an exception to this rule has been made by the Superintendent/designee.

- D. Re-employment of an employee on a leave of absence of more than six (6) months will be conditioned by the availability of a vacancy existing within the employee's job classification and assignment as indicated at the time the leave was granted. The employer's obligation to re-employ an employee shall end six (6) months after termination of the leave.
- E. The notice of intention to return to duty after medical leave shall be accompanied by a written statement from a physician.
- F. Employees granted a leave of absence shall maintain their accumulative sick leave bank remaining at the time the leave was granted less any deductions for days used. All benefits (sick leave, approve leave, medical, dental, vision, life) cease to accumulate during the unpaid leave except seniority for those on an approved medical leave of absence. Medical, dental, vision and life insurance will continue in accordance with the Family Medical Leave Act (FMLA), although the employee must pay their contribution toward the cost as provided in Article 15, Benefit Protection.
- G. Leave of absence may be granted for the following good causes by way of illustration but not limited to:
- education
 - medical
 - military
 - Association business

- H. Eligibility for any leave of absence requires a minimum of six (6) months continuous employment by the School District immediately prior to such leave of absence. To be eligible for Family Medical Leave, the employee must have been employed for 12 months prior to the leave of absence and worked a minimum of 1250 hours during that 12 month period.
- I. No accrual of seniority shall be granted during leave of absence except for medical, or military leaves of absence.
- J. While an employee is on a leave of absence for less than six (6) months, temporary employees may be hired. Such temporary employees shall not accumulate seniority and may be terminated upon expiration and return of the employee from his/her leave of absence.
- K. Members of the Association elected to local Association positions or selected by the Association to do work which takes them from their employment with the Board shall be granted a temporary leave of absence for a period up to but not to exceed one (1) year or the term of office whichever may be shorter, provided a written request from the Association and the employee is received by the Board. The total number of persons allowed this type of leave shall not exceed one (1) person within any fiscal year.
- L. The Employer cannot guarantee the return of any employee to a specific building or special assignment at the conclusion of the period of absence. The employer will make every effort to return an employee who has been on leave of absence to the same or comparable job that he/she held before the leave.
- M. At the expiration of a leave, and as stated in the sections above, if an employee does not return and no extension is granted, his/her removal and termination of employment with Rochester Community Schools becomes automatic.
- N. Temporary vacancies of sixty (60) days or more in Instructional/Special Education classifications will be filled in accordance with the provisions of the Vacancies, Promotions and Transfers Article of this Agreement.
- O. The rights provided in this Article are in coordination with the rights provided under the Family Medical Leave Act (FMLA). The Family Medical Leave Act of 1993 (FMLA) provides up to twelve (12) weeks of job-protected leave to "eligible" employees for certain family and medical reasons. A leave granted under the provisions of this section is in conjunction with any other paid or unpaid leaves already provided to members under other applicable sections of this agreement. The Board will continue to observe any leave provisions of benefit programs that provide greater leave rights than the rights established by the FMLA. The Board shall continue health, dental and vision benefits during this leave. The employee is responsible for completing the Department of Labor application and submitting that application to the HR/Benefits Coordinator.

ARTICLE 13 PAID LEAVE

- A. All seniority school paraeducator employees will be allowed eleven (11) sick leave days per year (student year (September - June) earned at the rate of 1.1 day per calendar month worked (September – June). Sick leave earned during a work year is based upon a monthly proration. Employees who regularly work less than full-time (six hours per day) shall accumulate sick leave prorated according to the average number of hours worked per day and months per year. Accumulation of sick days not used shall be unlimited. Employees who use one (1) or less sick leave day for personal or family illness in the previous work year will earn one (1) additional sick day in the next school year.
- B. Credited or accumulated sick leave days may be used for personal illness, pregnancy, or serious illness in the immediate family. The immediate family for this sick leave provision is defined as spouse, child, parent, grandchildren or dependents. A seniority employee may be allowed up to a maximum of five (5) sick leave days for a serious illness in the immediate family. The use of these days will be charged against the employee's sick leave accumulation.
- C. A seniority employee shall be allowed a maximum of three (3) days of bereavement leave may be used for a death of a spouse, the individual's parents, siblings, or child. Bereavement leave, meeting the above definition, will not be charged against the employee's sick leave.

Also, a seniority employee shall be allowed up to a maximum of five (5) sick leave days for a death in the immediate family. The immediate family for death leave is defined as parents, spouse, children, grandparents, grandchildren, siblings, dependents, and in-laws. Said days will be deducted from the employee's sick leave accumulation.
- D. All employees shall accumulate sick leave from the date they are hired. Probationary employees can accumulate sick leave but cannot receive sick leave pay until the completion of their probationary period and then only on a prorated basis for the first year of employment and whatever time remains from the end of the first year of employment to the end of that fiscal year.
- E. After completion of the employee's first year of employment and whatever time remains from the end of the first full year of employment to the end of that fiscal year, an employee will be credited in advance with sick leave allowance for the entire next year which may be used by the employee after working one (1) full pay period following the commencement of that fiscal year providing no absences occur during said pay period. If an employee overdraws from his/her credited sick leave accumulation of more days than have actually been earned, and if repayment is not made in sick days when earned and accrued, the sick days used will be deducted from the final paycheck. If a sufficient amount to cover the number of sick days used is not available in the employee's final check, the employee shall refund to the Employer the amount of overpayment.
- F. An employee shall not accumulate sick leave during any month in which the employee receives pay for less than the majority of the scheduled working days in that month.
- G. Proof of illness may be required at any time.

H. Sick leave shall not be used for seeking other employment, rendering services, or working, either with or without remuneration, for themselves or for anyone else, or any other reason other than illness of self or immediate family members as set forth in Article 13 (A) or (B) above. An employee who uses sick leave for any reason other than that allowed under this Article shall subject themselves to possible disciplinary action.

I. **WORKERS' COMPENSATION**

Any employee who is absent because of an injury or disease compensable under the Michigan Worker's Compensation Law shall receive from the Employer the difference between the allowance under the Worker's Compensation Law and the regular salary up to the employee's current cumulative sick days with no deductions for sick days. Any employee absent as stated above may not return to work until securing a release and a certified statement from a physician.

Any employee will automatically be entitled to seven (7) calendar days of coverage by the Employer for any injury compensated under the Michigan Worker's Compensation Law with no deduction of sick days.

1. Injuries shall be reported by the employee to the appropriate supervisor as soon as possible but not later than three (3) calendar days of the occurrence.
2. Any employee receiving an injury on the job requiring immediate medical attention by a physician will receive pay for the full day's work at the regular rate, and if he/she is required to report back to the doctor during working hours he/she will be paid for time lost.

J. **APPROVED LEAVE DAYS**

Upon approval of the Superintendent/designee, two (2) days of accumulated or credited sick leave may be used annually as approved leave days. Approved Leave days shall be interpreted as that which requires the presence of the employee at affairs that cannot be arranged or handled at a time other than during the regular work day such as:

1. Legal Business
2. Court Appearance
3. Medical
4. Funerals
5. Graduation
6. Immediate Family Commitments
7. Other reasons as approved

Approved Leave days may not be used for vacation time or to extend a holiday or vacation period. When school is canceled, Approved Leave days will not be used. The employee is expected to submit an application for use of an approved leave along with a general statement in support of the request through the district's automated absence approval system (currently AESOP).

It is understood that under emergency circumstances, a prior notice (one week) may not be possible. The Approved Leave day is not provided for casual or indiscriminate use.

K. Approved Leave days will not be granted the last scheduled work day immediately before and the first scheduled work day immediately after any holiday or vacation period as well as the first or last week of the school year. An exception to this rule may be granted by the superintendent/designee. Unpaid days will not be allowed and may be cause for disciplinary action and could result in a loss of holiday and/or vacation pay. If an employee uses a day designated as an Approved Leave day before or after a holiday or non-student break period, under an exception granted above, vacation pay equal to each day used in this manner will be deducted from the vacation payout at the end of the school year.

L. **JURY DUTY**

The Employer shall pay any seniority employee called for jury duty or attendance at any court pursuant to subpoena by other than those mentioned in the immediate family, the difference between the amount received from jury duty and the regular pay if either the employee or the Superintendent/designee is unable to have the employee excused from such assignment. An employee who received witness or jury duty interview and appearance notice must notify his/her appropriate administrator within five (5) days of such notice. To be eligible for jury duty and/or witness pay differential, the employee must furnish the Employer with a written statement from the appropriate public official listing the amount and the dates he/she received pay for jury duty and/or witness fees. Such differential shall not be deducted from sick days.

M. The number of accumulated sick leave days will be established at the end of the school year for the ensuing school year.

N. **ATTENDANCE INCENTIVE PROGRAM**

2. A paraeducator who has accumulated FIFTY-FIVE (55) or more sick leave days will be entitled to two (2) incentive days for the year.
3. A paraeducator who has accumulated EIGHTY (80) or more sick leave days will be entitled to three (3) incentive days for the year.
4. A paraeducator who has accumulated ONE HUNDRED AND FIVE (105) or more sick leave days will be entitled to four (4) incentive days for the year.
5. The maximum number of incentive days that can be used on any one day will be ten (10). These days will be allocated in order of receipt of request by the Department of Human Resources.

The incentive day may be used without specification and must be used in the year in which it is earned. Application must be made at least five (5) days prior to the day of leave except in cases of emergency. All incentive days used will be deducted from the member's sick bank.

ARTICLE 14 SICK LEAVE BANK

The Board will cooperate in the operation of a Sick Leave "Bank." All bargaining unit members will participate in the Bank. The following limitations are established for participation in the Bank:

- A. If the sick leave bank is below two hundred (200) days at the beginning of the school year, a day will be deducted from each member and added to the bank. At the time of retirement, the retiree may contribute a maximum of ten (10) days to the sick leave bank.
- B. The Association President shall meet with Human Resources each year to see if additions are to be made to the Bank at the beginning of each fiscal year according to the above limitations.
- C. The first thirty (30) work days of illness or disability will not be covered by the Bank, but must be covered by the bargaining unit member's own accumulated sick leave or absence without pay. To apply for benefits from the Bank, a bargaining unit member must be non-probationary. While drawing sick leave benefits, a bargaining unit member cannot be receiving any other pay from the Board.
- D. A maximum of sixty (60) days each fiscal year can be drawn by a bargaining unit member from the Bank. If the member is still out from the same illness at the beginning of the next fiscal year and has exceeded the sixty (60) days, he/she may draw an additional thirty (30) days for a total not to exceed ninety (90) days.
- E. Employees who have received days from the bank and are subsequently granted Worker's Compensation benefits shall be obligated to replace (repay) sick days used from the Bank.
- F. The Bank will be controlled by a committee composed of two (2) Association members selected by the Association, and two (2) administrators selected by the Superintendent, but final authority in regards to the interpretation of this policy shall rest with the Board. The committee shall discuss and review each request.
- G. A bargaining unit member with two (2) years of seniority drawing from the Bank will receive 3/4 (75%) of his/her regular, hourly, daily rate. Bargaining unit members with less than two (2) years of seniority will not qualify to draw from the sick bank.
- H. A physician will determine the extent of convalescence and ability to return to work. The committee may require that a physician's statement of disability be provided every two weeks.
- I. In cases of alleged abuse of the Bank, the Board shall have the right to investigate and take appropriate action.
- J. When a bargaining unit member stops drawing days from the Bank and returns to full-time employment, the bargaining unit member's sick leave accumulation will be established at the rate of one-half (1/2) day per month for the balance of the fiscal year.
- K. All deliberations of the Bank Committee are final, confidential and not subject to the grievance procedure.

- L. Vacation days will not accrue while a bargaining unit member is drawing days from the Bank.
- M. The Sick Leave Bank will not be allowed to go negative. All requests will be handled in order of receipt and if a request would cause the Bank to go negative, it will be denied.

3. If the eligible employee's spouse has or is eligible for any type of fully paid, full-family hospitalization coverage which is equal to or better in coverage than that offered by the Rochester Community Schools, the employee involved will not be eligible for full-family, two-person or single subscriber hospitalization coverage with the Rochester Community Schools. It is understood double coverage is prohibited. There shall be no duplication of benefits. The employee must notify the Department of Human Resources of any duplicate coverage, either through personal coverage or coverage from the spouse's or family's plan. If the employee is covered by any duplicated hospitalization, the Board's obligations under this provision shall be waived. In the event that an employee fails to notify the Department of Human Resources of double coverage and received dual payment of hospitalization benefits, the employee will be ineligible for any hospitalization benefit paid for by the Board for a period of one (1) year. If requested, by the Department of Human Resources each employee will be required to certify, in writing, that they do not have double coverage of hospitalization.
4. For the appropriate coverage, the employee shall certify, in writing, that he/she is entitled to such coverage. Violation of this certification may require the employee to reimburse the Board for all payments made in his/her behalf. In addition, it is firmly understood that such employee may be disciplined.

8. Employees shall make contributions toward the cost of their health insurance in the amount of twenty percent (20%) of the cost of that health insurance. Payroll deductions are authorized for this purpose. The Board may take any action in compliance with Michigan Public Act 152 of 2011, and payroll deductions are authorized for this purpose. In the event that Public Act 152 is repealed, or declared unconstitutional or legally not effective by a court or administrative agency, employees taking hospitalization/prescription drug coverage through the School District shall make the monthly contributions toward the cost of that hospitalization/prescription drug coverage in the amount of twenty percent (20%) of the cost that that coverage as defined in Public Act 152, and payroll deductions are authorized for this purpose.

E. LONG TERM DISABILITY

The Board will provide Long Term Disability income insurance to cover all regular full-time seniority employees after three hundred sixty-four (364) calendar days of illness or disability. Such insurance will not exceed payment of two thirds (2/3) of his/her regular salary at the time of the illness or disability, subject to the maximum benefit of one thousand (\$1000.00) per month and reduced by an amount paid or payable under workers' compensation, social security, or any other earned income. Said compensation as described above is subject to the terms of the contract with the respective insurance carrier.

- F. The benefits stated above shall be by way of a fringe benefit with no cash reimbursement for those employees who do not qualify for such benefits.
- G. Upon layoff or termination of employment with the Board, the employee's benefits as described above will cease to be paid by the Employer.
- H. Differences between employees or beneficiaries of employees and any company shall not be subject to the grievance procedure.
- I. Subject to the terms of the contract with the respective carriers, it is the intent of the parties that benefits provided for in this Article shall commence on the first compensable working day of seniority employees and that coverage shall remain in effect continuously for the duration of this Agreement as long as the employee is considered employed by the Board/Employer in a position that makes them eligible for said benefit.

It is the understanding of the parties that benefits will start on the earliest date possible according to the terms of the carrier's contract, after the probationary period.

- J. Notwithstanding the provisions of this paragraph, the terms of any contract or policy issued by a company hereunder shall be controlling in all matters concerning benefits, eligibility and termination of coverage, and other related matters.

The written grievance at STEP TWO will contain all information as specified in STEP ONE.

Within ten (10) working days of receipt of the written STEP TWO grievance, a meeting will take place between the grievant, the Association President, if requested by the grievant, and the appropriate supervisor(s) and administrator(s). The written answer of the Department of Human Resources administrator will be given to the grievant, with a copy to the Association President, within ten (10) working days of the meeting.

M. STEP FOUR

Within fifteen (15) working days after delivery of the Superintendent's (or designee's) decision, either party may request the services of the State Mediator's Office. Should such a request be made, the parties will utilize the services of a State Mediator as designated by the Michigan Employment Relations Commission to facilitate the resolution of the grievance. Neither party may be represented by legal counsel at this step of the grievance procedure. Should a resolution not be reached, then the parties may proceed to arbitration or STEP FIVE of the grievance procedure.
