**Start Time: 7:30**

**Ending Time: 2:30**

It's hard to believe that we are mid way through October! This month has been filled with so many amazing learning opportunities for our students with more to come this upcoming week. I can't share enough about the wonderful experience the fourth grade students, parents, and staff had at the 4H Environmental Overnight Camp. To provide these hands-on learning activities for ALL of our fourth grade students is a memory they never forget. This opportunity began at Mapleton in 1999 and is stronger than ever thanks to the hard work and support from our parents, community, PTO, and staff. Our fourth grade teachers spend months preparing for this event and as a result we all had a tremendous time this year. From archery, to wildlife studies, to fishing, to pioneer storytelling, the educational experiences were endless. This event like so many daily learning experiences here at Mapleton are possible because of the true spirit of teamwork. Thank you for all you do in making Mapleton great for kids!

Kindergarten students had a wonderful time this week visiting Two Sisters Pumpkin Patch. They all returned with their very own pumpkin!

Fourth Graders had an amazing time this year at the annual overnight trip to the Carlisle 4H camp. Some of the activities included archery, fishing, pond study, night walks, bird watching, and lots of other fun activities and games.

Mapleton Elementary will have our annual Veteran's Day program on Friday, November 11th at 9am in the gymnasium. We would like to invite any Veteran that is special to our students to join us for our program.

We will also be creating a slideshow to showcase our Veterans. If you would like to submit a picture, please send it to school by Friday, November 4th. Students can bring pictures to Ms. Lee or email them to her at [whitney.lee@montgomery.kyschools.us](mailto:whitney.lee@montgomery.kyschools.us).
