Ending Time: 2:30

What an amazing tribute on Friday in honor of Veteran's Day. The silhouette routine, Tony's special music, the sign language, cadence routine, ... – left me speechless. Having these special experiences to share together makes me so thankful I am in this career – one that's far beyond a paycheck and time clock. Thank you so much to our activity teachers for all the long hours and creative thinking they dedicated to make this possible for our students, our families, our staff, and those who have served or currently serving in our armed forces. This annual event will long be remembered by our students along with the lessons of understanding our teachers provide daily regarding what our great country represents and the people who serve to protect it. Happy Veterans Day!

Counselor's Corner:

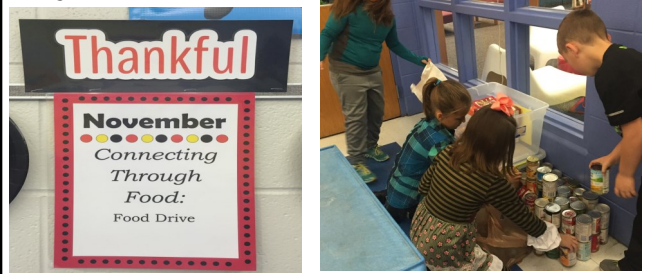

If you are a grandparent raising your grandchild, I want to invite you to spend some time with me at Mapleton's first "Coffee with the Counselor" session on Monday, November 21st at 8 am in our school library. It's crucial that we partner with you to help your student be successful and achieve their goals now and as they grow older. It can be overwhelming, and I want to be there to answer any questions you might have about our school, our programs and how you can be involved. Family involvement is important in every child's education, but especially in the situation where the parents aren't around. I hope you can make it next week and I look forward to seeing you there! *-Lacy Gross*

Congrats to our top Blue Ribbon Study Island Winners for the first nine weeks! They enjoyed a special lunch on Wednesday. Keep up the GREAT work.

Friday, November 18th is the final day to send in canned good items and non-perishable food items for our collection to donate to our local food pantry. Thank you to everyone who participated in our November Service Learning Project!
