October 28, 2016

Start Time: 7:30

Ending Time: 2:30

**THE HARDER
YOU WORK FOR
SOMETHING,
THE GREATER
YOU'LL FEEL WHEN
YOU FINALLY
ACHIEVE IT.**
KUSHANDWIZDOM

This week was a time of celebration of goals reached and a focus on our second service learning project: “Connecting With Good Choices—Say No To Drugs.” On Tuesday we welcomed the return of our fourth grade students from last year to celebrate those that reached the goals set from their 2015-16 state K-PREP assessment. Current fourth grade students were also recognized for their third grade test achievements. Taking time to congratulate our former students and reminisce the special memories of their elementary years was priceless.

Our second grade students helped to collect the change from the penny war throughout the week as part of our Red Ribbon events. The change collected is donated to our local organization Hands Holding Hope. Thank you to everyone who sent in change for this valuable cause.

Counselor's Corner

I was so excited to introduce to my K friends, Howard B. Wigglebottom. Howard is just starting school, just like most of them, and he has a lot to learn. This week we learned with Howard the importance of being a good listener. Each month, we will learn something new with Howard that will keep us on track to be successful! In third grade our lesson was tied to our Red Ribbon Week activities. We had class discussions on the differences of medicine and drugs and the dangers of taking someone else's prescribed medication. We also played a game of trying to tell the difference between pills and candy. This time of year many types of medication can be mistaken for candy, so it's important that our kids understand that it is not safe to put something in our mouth if we don't know where it came from. –Lacy Gross

Mapleton Elementary will have our annual Veteran's Day program on Friday, November 11th at 9am in the gymnasium. We would like to invite any Veteran that is special to our students to join us for our program.

We will also be creating a slideshow to showcase our Veterans. If you would like to submit a picture, please send it to school by Friday, November 4th. Students can bring pictures to Ms. Lee or email them to her at whitney.lee@montgomery.kyschools.us.

Yankee Candle Fundraising is going on now until November 11. Consider ordering online, there are many benefits. It is easy, just refer to the flyer in the fundraising packet. It has our group number and 3 easy steps to follow. You may invite people by using social media or by email. There is also a Mobile App. Exclusive online products are also available. These orders are shipped, so there is no need to pick up at school. Supporting our school is now easier for out of town family and friends or ones just around the corner.

Pre-order your child's yearbook today! Yearbooks are \$15.00 and can be purchased by seeing Mrs. Rush every morning from 7:15-7:30.

Try outs for the Academic team will be this upcoming Wednesday, November 2 after school. There will be notes sent home on October 28. These need to be returned by Tuesday, November 1, if your child would like to try-out.
