January 13, 2017

**Start Time: 7:30**  
**Ending Time: 2:30**

Our first weeks into the New Year have been smooth. The students returned ready and eager to continue with their learning and with lots of exciting stories to share. In the next couple of weeks we will be sending our midyear Discovery Education testing results home with each student. This information will show student's beginning and midyear scores in reading and math so you can review their progress. One major key to academic success is good attendance. Being at school on time and attending school regularly helps students to succeed with their academic growth. Pictured below are the students that have not missed a day or been tardy the first half of the school year! If they continue to maintain this goal, they will be participating in "Dash For Cash" at the end of the year! Congratulations to our 43 students!

For the safety of your child:  
 When dropping students off in the morning, please have your child exit your car on the right hand side next to the sidewalk. The darkness outside and cars coming around on the opposite side, can create safety concerns.

## January

Monday	Tuesday	Wednesday	Thursday	Friday
16 No School (Martin Luther King Day)	17	18 PTO 4:30 Library	19	20 PTO (Mother/Son Fun Night—MCHS Arena) MOCO Indian Wear Day
23 100th Day of School (If no more days are missed)	24	25	26 Quick Recall Academic Team Match (3:30) at MSE	27
30	31	1	2	3 No School (Teacher Planning Day) 4 PTO Daddy/Daughter Dance (Sat.)

**Counselor's Corner:** This week I visited 1st and 3rd grades. In first grade, we did a cool experiment with my glitter big light and glitter bug potion that showed the kids the importance of doing a good job washing their hands. In 3rd grade, we talked about Setting Goals for Success! We learned the difference in goals and wishes and short and long term goals. At the end of class, each third grader had to set one goal, develop a plan for achieving that goal, and set a deadline. Ask your third grader what their goal was! Since it's the new year, how are your goals coming for 2017? Don't give up! - *Lacy Gross*

**Congratulations** to Mapleton's Academic Team for a win on Thursday with their match against Camargo. All students did a great job!

**UPCOMING PTO EVENTS:**

- Mother/Son Fun Night (Friday, January 20, 2017 at 6:00 Girls basketball game 7:30/Boys basketball game at the MCHS Arena—Come and join in the fun and help cheer on our Montgomery County Indians!) Please see flyer sent home for more information
