**Start Time: 7:30**

**Ending Time: 2:30**

As we head into October and fall season next week, please take a moment to carefully review the calendar below. Many exciting events have been scheduled. This week staff leaders met with the fall members of the student leadership teams to outline their roles and expectations. Student leadership teams include Safety, Technology, Civics, and Environmental Improvement. Students are ready to assume their leadership duties. Some of the teams will trade out members after the winter break so more students can be part of this experience.

Mark your calendars—our annual Fall Festival is **Saturday October 7, 2017** from 4:45-7:00. Please see back of newsletter for ways to donate!

**MES Counselor's Corner**

Part of our school wide counseling program focuses on career development. Next Friday all the Montgomery County 3<sup>rd</sup> and 4<sup>th</sup> grade students will be attending a Career Fair at the MCHS Arena. Students will be interacting with adults to gain knowledge about the different careers that are in our community today because it is never too early to start career exploration! Tying into that, this past week I spent time in our 3<sup>rd</sup> grade classes where each child had a role on a Super Snack Mix Assembly Line. Working together on an assembly line, we produced bags of snack mix that they each got to enjoy. We talked about how an assembly line works and they reflected on their experience in being a part of one. It was fun learning experience for all!
