October 20, 2017

Start Time: 7:30

Ending Time: 2:30

REPORT CARD TIME: Today (Friday) your child should have brought home his/her report card. Please review it with your child. Also, included for 1st-4th grade students is a beginning of the year pretest report called MAP (Measures of Academic Progress). An informational form explaining this assessment is also included. This test will be given again in early December to all K-4th grade students and again near the end of the year to measure progress/growth in reading and math. I will be leading an informational/question & answer session on Thursday, October 26 at 6:00 in the library or you can contact your child's teacher with any questions.

PLEASE JOIN US—Student-Led Conference Night/Family Dinner Night/Health Fair (October 26th, 5:00-7:00). We are trying conferences a little different to start the year. **Stop by your child's classroom for about 15-20 minutes some time during the times of 5:00-7:00 for Mapleton's 1st STUDENT-LED Conference/Student Learning Showcase!** This year we have focused on student's clearly understanding and collecting their progress goals in all areas of learning, so we are excited for them to have the time to share with you. During this time, STUDENTS will lead the discussion with you about their work, progress the first nine weeks, and goals for the upcoming nine weeks.

Goals for the Evening:

*For Parent: We hop that you will get to SEE rather than simply being told about your child's progress.

*For Students: We hope students will take more responsibility for their learning.

Monday	Tuesday	Wednesday	Thursday	Friday
23 Red Ribbon Week "Too Smart To Start" Nerd clothes	24 "It's Crazy To Start Drugs" Dress crazy <u>KONA ICE SALES!</u>	25 "Wage a War on Drugs" Wear camouflage STLP 2:30-3:30	26 "The Future Is Bright, No Drugs In Sight" College Gear Family Dinner Night & Student Led Conferences 5:00-7:00	27 "Say BOO To Drugs" Students can wear their costumes (no masks, toy weapons, or scary make-up) Fall Parties

6 No School Teacher Work Day	7	8	9	10 Veterans Day Program 9am

November 16th: Picture Day Retakes!

MES Counselor's Corner:

The last two weeks, I have been spending with my K and 1st grade classes. My kindergarteners met Howard B. Wigglebottom and heard his story about how he learned to listen. It is so important that our young people understand that learning to be good listeners helps us be successful in school, be a good friend and keeps us safe! In first grade we read the *Legend of Spookely the Square Pumpkin*. Spookely was different from all the round pumpkins and teased because of it. However, his differences allowed him to become the hero in the story. I want our students to love and respect all of our differences and focus on building each other up instead of putting others down.

Mrs. Colliver is needing supplies for an upcoming project. She is asking for dominoes, buttons, and colored plastic lids. Please send them to the STEM lab.

In preparation of our Veterans Day Celebration, we are asking all students who have a Veteran in their family to send in a picture by October 26th to help honor those that have served or are currently serving. Each student who brings in a picture will get 5 dojo points. The photo will be scanned and

MARK YOUR CALENDARS!

Family Dinner Night, Student Led Conferences, & Health Fair
Thursday, October 26th (5:00-7:00)

We encourage you to eat dinner as a family as often as you can, but we realize the busy schedules families have today make it hard to plan regular family meals. We want you to join us for dinner. It's free, and will give you and your family an opportunity to have a fun evening out together. Come enjoy a casual meal and fellowship with your family and neighbors. In addition to food and fun, we'll have some drawings for prizes/books, and health fair. Because of the success of previous Family Days, we are going to have two seating's. The first will be from 5:00-5:45 and the second will be 6:00-7:00. We'll try to give you your choice of time, but the sooner you register, the more likely you are to get your choice. To register please call the Family Resource Center at 497-8751 between Oct. 17-Oct. 23 from 7:00-3:30

If you need Christmas assistance, participation at two school activities will qualify your child for Christmas assistance. You can register that night. If you need more information, please call the Family Resource Center at 497-8751. We look forward to seeing you there!
