October 27, 2017

Start Time: 7:30

Ending Time: 2:30

What a wonderful week at Mapleton! Students were so excited with the dress up days for Red Ribbon Week – say NO to drugs. It was wonderful seeing all the families here last night for our Student-Led Conference and Spotlight Night! We had an amazing turnout for all the events. We have placed a major focus this year on students truly understanding their growth and owning their data. They have continued to keep their student data notebooks like they have in past years, but we are providing times throughout the year for them to meet with student data partners and discuss their goals and their growth toward their goals. We also wanted you to be an active part of this process too and that's why we arranged the special event last night. You can schedule a conference at any time to review their data notebook. Just send a note to their teacher. Thank you for all you do to support your child's academic success here at Mapleton!

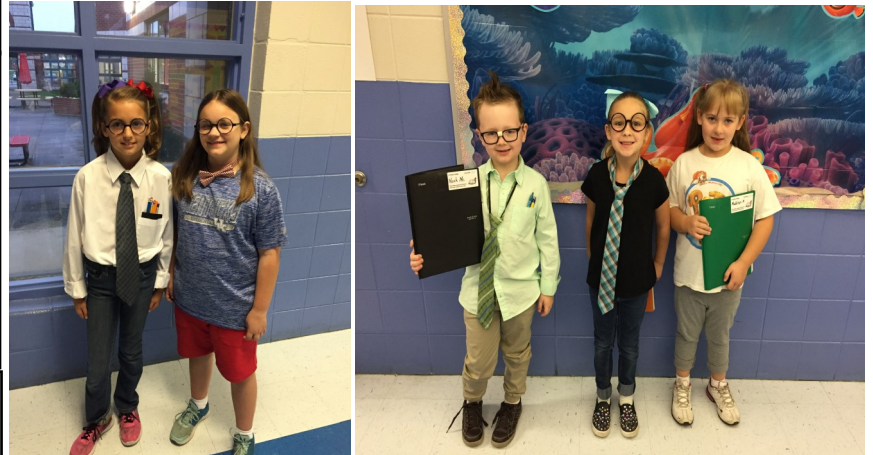

Monday	Tuesday	Wednesday	Thursday	Friday
30 Picture Money Due!	31	1 STLP 2:30- 3:30 Fall Ball Money and Permission Slips Due	2 Fall Ball!! (3rd & 4th Grade Stu- dents) 3:00-4:30	3 Voting for Red Ribbon posters ends

13	14	15 PTO 4:30 STLP 2:30-3:30	16 Fall Picture Retakes	17
November 16th: Picture Day Retakes!				

MES Counselor's Corner:

Have you ever noticed that many medicines look like your favorite candy? This past week I visited the 3rd grade classrooms to talk to the students about the dangers of medicine that looks like candy. We did an activity where the students examined 15 bags and had to decide if the items inside were candy or medicine? We had discussions on how medicine can be harmful and to never ingest something if they don't know what it is. During this Halloween season, spend some time talking to your child about staying safe and go through their bag of candy with them throwing away anything that looks like it might have been opened.

Red Ribbon poster contest will continue until 11/3/2017. Vote for your favorite classroom poster in the family resources center. One penny equals one vote. The classroom with the most votes will get a pizza party. All proceeds will be donated to the Mt. Sterling food pantry.

Mrs. Colliver is needing supplies for an upcoming project. She is asking for dominoes, buttons, and colored plastic lids. Please send them to the STEM lab.

Monday's Theme: Too Smart For Drugs!

<u>Monday</u>	<u>Tuesday</u>	<u>Wednesday</u>	<u>Throwback Thursday</u>	<u>Friday</u>
