Mapleton proudly introduces Ms. Erin Shillington, our new FRC DIRECTOR!

I am a graduate from Morehead State University, and have lived in Jeffersonville for the past nine years. While having several years of experience working with our community I found myself with the realization that my heart was to provide for Montgomery County children and the resources they lacked on a daily basis. My goal here at Mapleton is to provide for our families and collaborate with our community to strengthen our children through prevention programs and services that are available. I look forward to working with your children this school year and should you need assistance and/or volunteer information please feel free to contact me at 859-497-8751.

Remember to turn in your Box Tops!

The class with the most will win a pizza party!

Mrs. Ginter will be selling Mad Scientist Eyeball Cups for \$3 beginning on Monday, October 1st!  
She will also have Halloween Smencils available for \$1 for the month of October only!
