Start Time: 7:45
Ending Time: 2:45

It's hard to believe it's already time for fall break and Court Day! This month has been filled with so many amazing learning opportunities for our students with more to come this upcoming week. I can't share enough about the wonderful experience the fourth grade students, parents, and staff had at the 4H Environmental Overnight Camp. To provide these hands-on learning activities for ALL of our fourth grade students is a memory they never forget. This opportunity began at Mapleton in 1999 and is stronger than ever thanks to the hard work and support from our parents, community, PTO and staff. Our fourth grade teachers spend months preparing for this event and as a result we all had a tremendous time this year. From archery, to wildlife studies, to fishing, to star gazing night hikes, the educational experiences were endless. This event like so many daily learning experiences here at Mapleton are possible because of the true spirit of teamwork. Thank you for all you do in making Mapleton GREAT for kids!
