

MAPLETON'S WEEKLY EVENTS FOR THE WEEK OF MAY 17, 2021

These are your weekly updates for the week of May 17th. Our state testing began last week and our 5th and 3rd grade students worked very hard. This week we will complete the state testing with our fourth grade students. They will test on Monday and Tuesday so be sure that they arrive on time (which is by 7:40) and get plenty of rest.

On Tuesday 5th grade students participating in Mapleton's Got Talent will film their talent act. We will then all get to watch the great video performance on the last day of school. On Wednesday fifth grade students will have their Accelerated Reader auction. Virtual 5th grade students that plan to participate in the auction will need to reach out to their teacher to add their name to the list of students coming for the AR auction event,

On Thursday, we will welcome back our Mapleton students who will be graduating this year in the MCHS class of 2021. They will walk through our hallways in their cap and gown and let all of us celebrate the students who are forever part of our Mapleton family, and we can take a moment to let them know how very proud we are of them.

On Friday, our students will be participating in relay events during their scheduled activity class so be sure they are dressed in their P.E. clothes, and you may want to send in some extra bottles of water and a towel. We hope you have a **WONDERFUL** week!
