

Snow Horse Community Council Minutes

Location: Library
February 13, 2023 at 3:45

In Attendance: Lori Ann Berg, Heather Katt, Amy Stevens, Doug Forsgren, Amber Hansen, Emily Summerhays, Jennifer Rodda, Wendy Barlow, Katie Scholer, Brandi Draine and Jodie Thompson.

I. Welcome – Chair – Lori Ann Berg Motion to start Wendy Barlow, 2nd was Heather Katt

II. Approve Minutes from Previous Meeting – Lori Ann Berg Motion to approve, Emily Summerhays, 2nd Doug Forsgren

III. Updates on Standing Responsibilities:

A. Trust Land and TSSP Plan:

- Acadience Reading and Math Data to be shared Doug suggested some goals he feels that would hit our academic needs. He discussed focus areas, specifically reading, PLC's and SEL. No specific goals have been set for math. We need to find a good math intervention. The District is adopting a new math curriculum that will be implemented 2023-24. Attached are the suggestions Doug presented.

- Data Meetings to adjust to target

B. School Safety Plan:

- Lockout Drill to be held this month

C. Safe Technology and Digital Citizenship

- Nothing to discuss It was discussed that Kaysville PD will be hosting an internet safety class March 20th-24th for parents to take.

D. Positive Behavior Plan:

- Everything is still going strong. The CC approves of how Snow Horse teachers, admin and counselors are providing support to our students.

IV. Misc. Business:

A. ???

V. Adjournment – Lori Ann Berg Motion to end, Doug. 2nd Wendy Barlow.

NEXT MEETING WILL BE MONDAY MARCH 13 @3:45 P.M.

Reading:

69% of students will show typical or above typical growth according to Acadience Reading end of year Pathways of Progress assessment.

PLC:

Teachers will implement the professional learning community (PLC) process by frequently meeting with grade level team members to discuss students' develop a curriculum map for language arts.

SEL:

According to the Davis School District SEL School Self-Assessment and Walk-Through Tool Snow Horse Elementary will move at least one indicator from "Partially in Place" to "Fully in Place" under 3 of the 4 SEL sections. The baseline data will be from October 2022 and compared to May 2024.

Math:

- Propose no goal
- Math Implementation
- Still need better systematic interventions
- Growth Data is good according to report card
- 2024-2025 – Curriculum map for math.
