TAPR Overview

- Due to changes in legislation, the performance report formerly known as the Academic Excellence Indicator System (AEIS) report is now the Texas Academic Performance Report (TAPR).
- AEIS was published from 1990-91 to 2011-12. Archived AEIS reports may be found on the AEIS Archives page through TEA.
- The TAPR provides information on the performance of students in each school and district in Texas. The reports also provide extensive information on school and district staff, programs, and student demographics.

Differences from previous AEIS reports

- STAAR Proficiency, STAAR Progress Measures, and postsecondary indicator results are shown
- Replacement of financial profile section with direct HTML link to Financial Actual Report

Texas High School Graduates from FY2014 Enrolled in Texas Public or Independent Higher Education in FY 2015

Report of 2013-2014 High School Graduates' Enrollment and Academic Performance in Texas Public Higher Education in FY 2015

Texas statute requires every school district to include, with their performance report, information received under Texas Education Code §51.403(e). This information, provided to districts from the Texas Higher Education Coordinating Board (THECB), reports on student performance in postsecondary institutions during the first year enrolled after graduation from high school.

Student performance is measured by the Grade Point Average (GPA) earned by 2013-2014 high school graduates who attended public four-year and two-year higher education in FY 2015. The data is presented alphabetically for each county, school district and high school. The bookmarks can be used to select the first letter of a county. Then the user can scroll down to the desired county, school district and high school.

For each student, the grade points and college-level semester credit hours earned by a student in fall 2014, spring 2015, and summer 2015 are added together and averaged to determine the GPA. These GPAs are accumulated in a range of five categories from < 2.0 to > 3.5. If a GPA could not be calculated for some reason, that student is placed in the "Unknown" column. GPA data is only available for students attending public higher education institutions in Texas. If a high school has fewer than five students attending four-year or two-year public higher education institutions, the number of students is shown but no GPA breakout is given. If a student attended both a four-year and a two-year institution in FY 2015, the student's GPA is shown in the type of institution where the most semester credit hours were earned.

The number of students located at Texas independent institutions is presented. Also shown are "not trackable" graduates, those with non-standard ID numbers that cannot be used to match student identifiers at Texas higher education institutions. "Not found" graduates have standard ID numbers but were not located in FY 2015 at Texas higher education institutions. They might have enrolled in higher education outside of Texas.

No data is given for high schools with 25 or fewer graduates.

Because the statute calls for data on the first year enrolled after graduation, the level of the institution attended by students in this report may not match that given in THECB's high school to college report at http://www.txhighereddata.org/Interactive/HSCollLink. That report shows where students attended in the fall semester after their high school graduation year. This report attributes students to the level of institution where they earned the most semester credit hours during the whole academic year, not just the fall semester.

Please note: In May 2012 the 2006-2007, 2007-2008, and 2008-2009 versions of the *Report of High School Graduates' Enrollment and Academic Performance in Texas Public Higher Education* were updated to reflect a minor correction in how the GPA data are distributed across ranges.

Violence Prevention and Intervention Policies and Procedures

Staff development in areas related to violence prevention and intervention is an ongoing process. Sessions attended by KCISD staff members have been in Crisis Prevention Intervention, bullying, and date violence.

Procedures such as requiring all visitors to use an automated check-in system at each campus before going anywhere in the building, requiring students to have passes to be in hallways, limiting release of students to the principal's office have been implemented for the protection of our students. At the High School, requiring staff and students to wear a photo ID, monitoring of the parking lot, as well as requiring a parking tag helps identify any suspicious people or vehicles on campus. All campuses have a lock down procedure in place to be used in emergency situations and emergency drills are practiced routinely.

The District has also initiated the Safe Schools Helpline which is designed to receive anonymous telephone calls so that an individual can report possible criminal acts and threats to harm others. The District has secured a District Security Officer who is assigned to all campuses and District facilities.

At Kirbyville Junior High School, a DARE officer meets regularly with sixth-grade students to make them aware of the dangers of drugs and how to develop good decision-making skills so they may "lead lives free from violence, substance abuse, and other dangerous behaviors." (DARE vision) Also at the elementary, the Watch D.O.G.S. (Dads of Great Students) program was implemented in 2013. These volunteers not only provide positive role models for our students but also provide an extra set of eyes to reduce misbehaviors and incidences of bullying.

A video surveillance security system records activity 24 hours a day on each campus. The purpose of the surveillance system is to deter possible criminal activity and to record any activity that involves students, staff, or campus guests.

In addition, all students have access to counseling services on their campus. Campuses use various strategies to help students develop problem-solving skills; such as inviting motivational speakers, hosting an Anti-Bullying Week, or having a counselor go into classrooms to teach them positive ways to handle conflict.

2016 Performance Index

State accountability ratings are based on four performance indices: Student Achievement, Student Progress, Closing Performance Gaps, and Postsecondary Readiness. The bar graph below illustrates the index scores for this campus. The score required to meet each index's target is indicated below the index description and as a line on each bar. In 2016, to receive the Met Standard or Met Alternative Standard accountability rating, districts and campuses must meet targets on three indices: Index 1 **or** Index 2 **and** Index 3 **and** Index 4.

2016 Accountability Rating

Met Standard

For 2016 state accountability, campuses are rated as **Met Standard**, **Improvement Required**, or **Not Rated**. The rating, **Met Alternative Standard**, is assigned to charters and alternative education campuses evaluated under alternative education accountability (AEA) provisions.

Distinction Designations

Top 25% Student Progress	Top 25% Closing Perform Gaps

Campuses that receive a rating of **Met Standard** are eligible for as many as seven distinction designations: **Academic Achievement in English Language Arts (ELA)/Reading, Academic Achievement in Mathematics, Academic Achievement in Science, Academic Achievement in Social Studies, Top 25%: Student Progress, Top 25%: Closing Performance Gaps,** and **Postsecondary Readiness.**

2016 Performance Index

State accountability ratings are based on four performance indices: Student Achievement, Student Progress, Closing Performance Gaps, and Postsecondary Readiness. The bar graph below illustrates the index scores for this campus. The score required to meet each index's target is indicated below the index description and as a line on each bar. In 2016, to receive the Met Standard or Met Alternative Standard accountability rating, districts and campuses must meet targets on three indices: Index 1 **or** Index 2 **and** Index 3 **and** Index 4.

2016 Accountability Rating

Met Standard

For 2016 state accountability, campuses are rated as **Met Standard**, **Improvement Required**, or **Not Rated**. The rating, **Met Alternative Standard**, is assigned to charters and alternative education campuses evaluated under alternative education accountability (AEA) provisions.
