## ESTACADA SCHOOL BASED FOOD PANTRY & CLOTHING CLOSET

# CLOTHING CLOSET

---

Our clothing closet is completely donation based. All of our clothes come from our amazing community.

In the clothing closet you can find clothes, coats, shoes, undergarments, and accessories. When available, we offer basic hygiene supplies such as soap, shampoo, toothbrushes and toothpaste, diapers, wipes, and period products.

Can't find something that fits? Let Bettina or Kristina know and they can help get your child(ren) clothes in their sizes.

# WAYS TO HELP:

---

1: **Become a volunteer!** All volunteers must pass a background check and complete a training.

Volunteers could help either during our open hours, or on Tuesday mornings with shelving when our supply comes in.

2: **Donate!** We can accept unopened and unexpired foods as well as produce. We can accept clothes 5t to adult that are in good/like-new condition, no used socks or used underwear please. We also accept hygiene supplies.

Donating meal staples is a huge help! We are always in need of things like milk, butter, bread, condiments, and spices.

Unfortunately, we cannot accept homemade foods.

3: **Spread The Word!** Word-of-mouth is so important, if you know someone in need, please tell them about us!

---

## WHERE DO WE GET OUR FOOD?

---

We are a subsidiary of the Estacada Food Bank, so they help supplement our supply.

Most of our food comes straight from the Oregon Food Bank.

We partner with the Clackamas Service Center which gives us supplemental food.

We accept donations.
