A simple cartoon drawing of a boy running. He is wearing a blue baseball cap, a blue t-shirt, and dark shorts. He has a wide smile and is looking towards the right. His arms are bent in a running motion, and his legs are also bent, showing he is in mid-stride. He is wearing blue sneakers.

- Breathing is good
- No cough or wheeze
- Sleep through the night
- Can work, exercise, and play

And/or Peak flow above

Asthma Treatment Plan – Student

Parent Instructions

The **PACNJ Asthma Treatment Plan** is designed to help everyone understand the steps necessary for the individual student to achieve the goal of controlled asthma.

- 1. Parents/Guardians:** Before taking this form to your Health Care Provider, complete the top left section with:
 - Child's name
 - Child's doctor's name & phone number
 - Parent/Guardian's name & phone number
 - Child's date of birth
 - An Emergency Contact person's name & phone number
- 2. Your Health Care Provider will** complete the following areas:
 - The effective date of this plan
 - The medicine information for the Healthy, Caution and Emergency sections
 - Your Health Care Provider will check the box next to the medication and check how much and how often to take it
 - Your Health Care Provider may check **"OTHER"** and:
 - ❖ Write in asthma medications not listed on the form
 - ❖ Write in additional medications that will control your asthma
 - ❖ Write in generic medications in place of the name brand on the form
 - Together you and your Health Care Provider will decide what asthma treatment is best for your child to follow
- 3. Parents/Guardians & Health Care Providers together** will discuss and then complete the following areas:
 - Child's peak flow range in the Healthy, Caution and Emergency sections on the left side of the form
 - Child's asthma triggers on the right side of the form
 - Permission to Self-administer Medication section at the bottom of the form: Discuss your child's ability to self-administer the inhaled medications, check the appropriate box, and then both you and your Health Care Provider must sign and date the form
- 4. Parents/Guardians:** After completing the form with your Health Care Provider:
 - Make copies of the Asthma Treatment Plan and give the signed original to your child's school nurse or child care provider
 - Keep a copy easily available at home to help manage your child's asthma
 - Give copies of the Asthma Treatment Plan to everyone who provides care for your child, for example: babysitters, before/after school program staff, coaches, scout leaders

PARENT AUTHORIZATION

I hereby give permission for my child to receive medication at school as prescribed in the Asthma Treatment Plan. Medication must be provided in its original prescription container properly labeled by a pharmacist or physician. I also give permission for the release and exchange of information between the school nurse and my child's health care provider concerning my child's health and medications. In addition, I understand that this information will be shared with school staff on a need to know basis.

Date

FILL OUT THE SECTION BELOW ONLY IF YOUR HEALTH CARE PROVIDER CHECKED PERMISSION FOR YOUR CHILD TO SELF-ADMINISTER ASTHMA MEDICATION ON THE FRONT OF THIS FORM.

RECOMMENDATIONS ARE EFFECTIVE FOR ONE (1) SCHOOL YEAR ONLY AND MUST BE RENEWED ANNUALLY

- ☐ I do request that my child be **ALLOWED** to carry the following medication _____ for self-administration in school pursuant to N.J.A.C.:6A:16-2.3. I give permission for my child to self-administer medication, as prescribed in this Asthma Treatment Plan for the current school year as I consider him/her to be responsible and capable of transporting, storing and self-administration of the medication. Medication must be kept in its original prescription container. I understand that the school district, agents and its employees shall incur no liability as a result of any condition or injury arising from the self-administration by the student of the medication prescribed on this form. I indemnify and hold harmless the School District, its agents and employees against any claims arising out of self-administration or lack of administration of this medication by the student.
- ☐ I **DO NOT** request that my child self-administer his/her asthma medication.
