

Universal Prekindergarten Plan Revision Workshop

For District and Charter Leaders

The San Diego County Office of Education P-3 team invites you to join us for a workshop designed to support school districts and charters with the revised Universal Prekindergarten Planning and Implementation Grant Program – Planning Template that was released in February 2023.

This session will point out the key changes to the revised 2022-23 template and provide on-the-spot guidance on what to expect when the UPK reporting survey is released. As a result of the newly revised planning template, LEAs and charters will be required to provide information to the California Department of Education, via survey, in the summer of 2023.

April 25, from 9 to 10 a.m.

May 18, from 9 to 10 a.m. (Repeat)

No Cost/Virtual Session

This session is for LEAs and charters who are currently offering universal transitional kindergarten.
