Period: 1, 2, 3, 4, 5, 6, 7

LUNCH:

CHICKEN BRUSCHETTA
or
SANDWICH RAVIOLI CHOICE
OF CHEESE or BEEF

Acknowledgment

We at Mercer Island High School acknowledge that we are on unceded ancestral lands of the Duwamish and Snoqualmie people. This acknowledgment does not take the place of authentic relationships with indigenous communities but serves as a first step in honoring and bringing to light their ancient heritage.

Community

Hey Islanders! Do you want more help with math? Are there any concepts that you can't quite understand? Come to math help on Wednesday afternoons! Not only will your favorite teachers already be there helping out, but your peers from math club will be there as well, willing to help! Make sure to check in on Wednesday afternoons in Room 215.

Seniors, now that it's almost March, the remainder of senior year will FLY by! And speaking of, flying by, the PTSA would like to introduce the theme for the 2023 Senior Graduation Party.

BLAST OFF: Never say the sky is the limit when there are footprints on the moon!

The PTSA has been busy planning an exciting night for all the seniors! We've collected feedback from past seniors, engaged the current seniors and decided to TAKE THE PARTY TO THE

NEXT LEVEL. We have 2 new and special venues and have planned additional activities, everything from a Zipline rope course to Lazer tag to Karaoke and a few surprise activities. Ticket sales will start on March 6th and will have a table set up every Friday after that for the seniors to pick up flyers with a QR code and register. After registering and paying, seniors will get to select the bus THEY want to ride on with their friends and receive a color-coded commemorative wrist band to wear this Spring! Get excited for a fun night with your friends!

ASB election season is here! If you are a sophomore or a junior we encourage you to apply! MIHS Leadership will be accepting applications through the google form until March 12th 11:59pm. If you are a 10th or 11th grader who is interested in becoming an ASB officer follow the directions from the ASB Election Packet Form linked below. Please make sure to read the form closely to fill out each of the requirements in the election process. Good luck applicants and go Islanders!

There has been an increase in parking issues. If you do not have a parking pass you may not park on campus. If you have a parking pass you must park in the lot that you have been assigned to you. You may not park in any other lot or in the Staff Lots. There is no reason that any students should be in the Band Lot other than getting dropped off. That lot is 100% staff parking now. Tickets will be given and fines will be enforced.

Club

Counselors Corner

Freshman, today is the last day to submit a form to double up on math or science. If you took a form to submit for doubling up math or science next year as a sophomore, that form is due today.

The [Stanley Ann Dunham Scholarship Fund](#) awards \$5,000 college scholarships to female-identifying students enrolled in the senior class at Mercer Island High School who demonstrate commitment to the values of social activism, global service, and academic excellence that Dr. Stanley Ann Dunham practiced in her life and work. **The online application deadline is March 31, 2023.**

The *Mercer Island Schools Foundation* is now accepting applications for the *2023 MISF Penny Yantis Senior Scholarship*, **DUE: TODAY**. You will be asked to share how a Mercer Island Schools Foundation-funded program has had an impact on your education.

Sports

The Mercer Island Drill Team is heading to their district's competition this Saturday at 12pm at Redmond High School. Come support MIDT as they compete for a spot at state happening later this month. Good luck MIDT!
