

HIGHLAND

**Little Hornets
PRESCHOOL**

2023-2024 Application

The Highland Local School District is now accepting applications for typically developing three, four, and five-year-old children to serve as typical role models in our preschool program. These children will serve as good language and play models for children with identified disabilities while attending our preschool program **located at Granger Elementary, 1724 Wilbur Road, Medina.** The program runs half-days, Monday through Thursday, and the cost is \$140 per month. Your child must be **three years old by August 1, 2023, and use the bathroom independently.**

The Highland School District will accept a limited number of children to attend the preschool program. You do not get to choose your child's teacher or if your child will be in the morning or afternoon session. ***PLEASE NOTE: No school bus transportation will be provided this year, due to the current driver shortage.***

This screening day will encompass a Play-Based Assessment of your child's interaction with others. Your child must be able to separate from their parent/caregiver and join the group in the preschool classroom for the assessment. After the assessment is completed, the peer role models are chosen by a lottery drawing.

THE SCREENING WILL BE HELD ON FRIDAY, MARCH 24, 2023.
