

Bullying, Harassment, Intimidation and Hazing

School Districts are required by law (HB.276) to collect and post data of student discipline related to Bullying, Harassment, Intimidation, and Hazing. It also requires that districts submit semiannual written summaries of this data to the district board president and post the summary on the district's website.

The District's policy on these behaviors can be found on the Highland School District website under Quick Links, then Highland BOE Policy (JFCF).

The Highland Local School District had 4 cases of Bullying, Harassment, Intimidation and/or Hazing during the 1st semester of the 2022-23 school year.
