March 3, 2023

Mayor Juan Melendez Town of Groton Groton, CT 06340

Dear Mayor Melendez:

The Groton Board of Education is pleased to submit the 2023-24 school budget that was adopted at its meeting on February 22, 2023. Over the past several months, the Board has worked diligently with Ms. Austin, our Superintendent of Schools, and her staff to develop a spending plan that will meet the needs of our students while also keeping in mind the ability of the taxpayers to support the budget. The Board has determined that a 2.97% increase will provide funds to meet the needs of the schools. The total dollar amount of the requested budget is \$81,510,627.00.

The Board members were pleased that the requested budget will provide the necessary funding to support our schools and continue the progress made by our students. The spending plan will enable us to maintain reasonable class sizes, as well as support all academic, athletic, and other extracurricular programs. The district's computer infrastructure and student instructional technology are also funded at sufficient levels to ensure proper operation of the system and to provide students with access to computers.

The Board of Education is looking forward to meeting the Town Council and the RTM to discuss the specifics of the proposed budget. The Board members are confident the request will meet the needs of the schools as well as the community.

Sincerely,

Kim Shepardson Watson, Chairperson

Groton Board of Education

#### Our Mission is Teaching and Learning

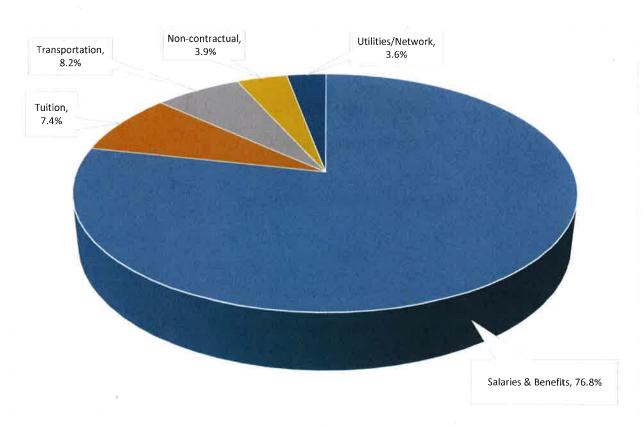

#### **Goals**

Provide Dynamic and Rigorous Curriculum Ensure Effective and Engaging Instruction Embrace Excellent Learning Environment

#### **Diversity, Equity, and Inclusion Statement**

Groton Public Schools embraces policies and practices that ensure that all people - especially those who have been historically marginalized based on race/ethnicity, disability, sexual orientation, gender, age, socioeconomic status, immigrant status, educational status or religion - have equitable opportunities. We acknowledge that systems of racial and economic injustice exist in our nation and community; however, as educators, we too recognize that we have the power to dismantle the practices, policies, and systems that perpetuate inequalities. Thus, an integral component of Groton Public Schools' mission is to cultivate an environment of diversity, equity, and inclusiveness. As a response, we strive to foster culturally responsive teaching and learning practices to ensure ALL groups feel valued, actively engaged, and empowered.

## **Budget Narrative:**

## Program Description:

The Elementary Instruction, Pre-K to grade 5 program fosters the continuing growth of children's knowledge and understanding of basic skills and their application, as well as understanding themselves and the world in which they live. Instruction integrates content, process, concepts, skills, performance and attitudes, and supports the belief that children learn through active involvement in a differentiated environment.

The number of teacher positions is a function of projected enrollment, Board of Education recommended preferred maximum class size, individual student needs, and organization for effective delivery of instruction.

#### Notes/changes for 2023-2024:

Reduction of 1.0 FTE Elementary School Teacher at Mystic River due to enrollment. Increase in Pupil Tests based on state mandated to identify Talented & Gifted students via OLSAT/NNAT. Teacher retirements is the expected reduction in salaries due to replacing teaching positions with less tenured employees.

## Program Description:

The Visual Arts Program provides the foundation of skills and knowledge necessary for students to engage in art production, as well as to build an understanding of art history and culture, incorporating art criticism, and making aesthetic judgments.

Visual arts at the middle school level is offered for students in Grades 6-8 in a twelve week (every other day) exploratory model. At the high school level, art classes are electives. Two credits, however, one in fine arts and one in applied arts, are necessary to meet graduation requirements.

# Notes/changes for 2023-2024:

Increase in Instructional Equipment is due to the projected purchase of art stools at Groton Middle School.

If required, support is provided by paraprofessionals in order to review and reteach skills for mastery. IDEA grant supplements the cost of paraprofessionals.

1.0 FTE Special Education Teacher split between Mystic and Thames River funded by ARP ESSER grant.

#### Notes/changes for 2023-2024:

Added 1.0 FTE Special Education Teacher at Fitch High School due to caseloads. 0.5 FTE remedial teacher reassigned to special education and 0.2 FTE teacher of the blind reassigned to special education due to caseloads.

#### Program Description:

Groton Public Schools embraces policies and practices that ensure that all people-especially those who have been historically marginalized based on race/ethnicity, disability, sexual orientation, gender, age, socioeconomic status, immigrant status, educational status, or religion-have equitable opportunities. We acknowledge that systems of racial and economic injustice exist in our nation and community; however, as educators, we too recognize that we have the power to dismantle the practices, policies, and systems that perpetuate inequalities. Thus, an integral component of Groton Public Schools' mission is to cultivate an environment of diversity, equity, and inclusiveness. As a response, we strive to foster culturally responsive teaching and learning practices to ensure ALL groups feel valued, actively engaged, and empowered.

Stipend for coordination of Diversity Equity Inclusion funded by ARP ESSER grant.

#### **Budget Narrative:**

#### Program Description:

The Educational Media Services Program provides instruction in authentic information, problem solving and research strategies using both print and electronic resources, and guidance in the selection and use of materials for leisure enrichment and curriculum implementation. All library media centers contain resources in both print and electronic formats to implement, complement and supplement the curriculum. Library media specialists promote the enjoyment of reading for pleasure and personal enrichment, focusing on the development of lifelong reading habits.

Each elementary library media center employs the services of a certified library media specialist, where students are assigned a weekly formal period with limited flexible access.

The secondary school library media centers employ 1.5 certified library media specialists and a full-time library technical assistant. High school and middle school students utilize the library with flexibility, as determined by both students and teachers.

The library media center is typically the center for video production projects which take place in the school.

### **Budget Narrative:**

#### Program Description:

To make equal educational opportunity available to all of Groton students regardless of their place of residence within the town, and to do this with maximum safety, efficiency and economy.

Bus transportation is provided to approximately 3700 regular and special education students. Transportation is provided to pre-k and kindergarten students who reside more than .5 miles from their school. For grades 1-12, transportation is provided for students who reside more than 1.0 miles from school. Transportation is also provided to students who live within their walking zone when conditions are considered too hazardous for them to walk to school.

An allocation for students transported to Sacred Heart has been budgeted under Function 3710 NonPublic Pupil Transportation.

Bus aides are utilized on buses with students that have disabilities.

This program is partially funded by a State of Connecticut grant received directly by the Town of Groton, to assist with the cost of transporting magnet school students.

### Notes/changes for 2023-2024:

Added 2 special education buses due to number of students. New contract with bus company currently in bid process. The district commits to buying diesel fuel annually, so due to reduction in bus usage during the pandemic, there were unused gallons. The budget for FY23 was reduced to reflect the usage of these gallons. In addition, the cost of diesel fuel was impacted by a significant inflationary increase.
