

## Boardman Local School District

7777 GLENWOOD AVENUE  
BOARDMAN, OHIO 44512-5898

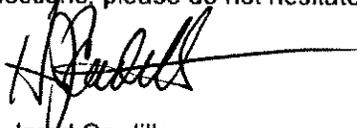

Parents/Guardians,

The Boardman Local School District provides opportunities for parents to be partners in our Title I program. As a parent/guardian of a student in Title I, we invite you to become a member of our district Title I Parent Advisory Committee for the 2022-2023 school year.

The Parent Advisory Committee consists of parent representatives from each Title I building in the district and meets to provide feedback on ways the program can be strengthened. Members of the committee also provide input on parent involvement activities.

The Committee meets once during November/December and once during May each school year. These meetings traditionally take place during the school day; however we can consider other options.

We hope you will consider joining our Title I Parent Advisory Committee so that we can work together to make Boardman's Title I program the best it can be. If you are interested in participating and have any questions, please do not hesitate to contact us.
