Notes

Agenda Item 1

- Survey questionnaire to ask again about best times
- Think outside the box. Zoom meeting is helpful. Parents have good options. The school is accessible, but parents are still not coming to meetings as year progresses.
- Neighbor told her that she didn't know about meetings you have to opt in to get Robotext messages.
- When something happens, parents will come to school.
- Dress code-we agreed to dress code. Parents can get dress code info from the school, yet still come kids don't wear it.
- The challenge is the parents don't always like to be involved.
- We always have translation.
- We should encourage other parents, like us, should help others get more involved.
- A parent she knows always calls after meetings to ask what was the meeting about
- **We could be more clear to parents what are the expectations-its too easy to think it's optional, I don't have to go.**
- **Ask parents can you come Yes/No so that parents have to respond.**
- How to get parents attention.
- What topics of interest are you doing?
- Survey to include topics of interest
 - CA College Funds
 - College savings
 - Access to information
- Questionnaires are great. Teachers should be more involved in encouraging parent attendance.
- Flyers coming from class week of meeting.
- The date isn't that obvious in the ROBOTEXT
- We should use visuals/flyers in the text with the date more emphasized.
- Class Dojo- I was first to sign-up and my teacher made a big deal. It was motivating for me.

Agenda Item 2

- Hard copy helpful. We could try it for the next meeting.
- Flyer to parents regarding upcoming events with a Yes/No to circle.
- Survey at bottom
 - Add Topics and Time
 - **Statement: We expect parents to attend**
 - **4 family events/meetings each school year**
 - (in addition to the 2 student led conferences each year) CHOSE AMONG
 - _____ Student led (Required)
 - _____ Student led (Required)
 - _____ Back to School
 - _____ Class Parent Meeting
 - _____ Family Teas
 - _____ December Celebration
 - _____ Spring Family Events
 - _____ End Year Picnic
- Keep data on parent participation compared to parent responses

Agenda Item 3

- Important teachers work as a team. Important to target kids need intervention
- Like getting the morning intervention and we know kids need extra support.
- Defined Chronic for Parents: Excused/Non-excused/Both. 18 days out of 186=10%
- Goal=24%→16% by 2024.
- Sickness-Let parents know when it's okay to come to school.
- Add bullet points to all agendas about attendance.

Agenda Item 4

- Offer masks, temperature checks, we can help monitor if kids feel too sick to stay at school.

- Like that we are following protocols-testing, masks, at home rapid. Happy with that.
- Check on our goals set for future years.

✓ Chronic
