

Dedicated to healthy development, creativity, and the power of ideas

**English Language Learner Advisory Meeting/ Reunión de Consulta de Aprendices  
del Idioma Inglés**

**August 24, 2022 at 5:00/ 24 de agosto del 2022 a las 5:00**

**1. Teaching and Learning Goals at NHCS: Impact on ELL Students /  
Metas de enseñanza y aprendizaje en NHCS: Impacto en los estudiantes ELL**

Parents were appreciative of the personalized support their children are being given to help them start the year. The advisory group discussed the goals for the year, which they agreed were reasonable expectations for performance. Staff discussed the ELPAC supports students would be given this year – small group test preparation to help students get familiar with question types.

**2. Training for how to understand ELPAC and the reclassification process. /  
Entrenamiento para cómo entender y la reclasificación del ELPAC.**

Staff presented Information about the school's reclassification process and the ELPAC test. Parents asked questions about the length of the test and the timelines.

**3. Review and Discussion of ELL Master Plan, including programs, goals, compliance with teacher and teacher aide requirements, administration of Home Language Survey, reclassification procedures, and parent notifications./  
Revisión y discusión del Plan Maestro ELL, incluye programas, metas, cumplimiento de los requisitos de maestros y asistentes de maestros, administración de encuesta sobre idioma, procedimientos de reclasificación y notificaciones a los padres.**

The Master Plan was shared. Discussion focused on the school's emphasis on oral language and ways parents can support this work at home.

**4. Review and Discussion of LCAP and plans for parent engagement./ Revisión y discusión del LCAP y política de participación de los padres.**

LCAP goals and plans were shared and the team agreed the focus was appropriate. Parents talked about the challenges of Student attendance – they were concerned that other parents may not be taking School seriously enough and wanted to hear about the incentives we were providing. Class celebrations for best attendance Info was shared as well as the meetings the NHCS team has with families to support them to get students to School.
